CLUB WYNDHAM

1. WHO ARE WE?

1.1 Who are We?

Club Wyndham South Pacific ("the Club"), was established on 1 March 2000 with an original term of 80 years to provide an affordable, flexible and easy way to holiday. Our expanding resort network currently includes 52 quality locations with more than 1,754 Club Apartments in 10 countries available to Club Owners. Full details of all current Resorts are set out in Section 3.

The Club is a registered managed investment scheme which is operated in accordance with the requirements of the Corporations Act.

Wyndham Vacation Clubs South Pacific Ltd ("Wyndham") is the responsible entity for the Club and holds Australian financial services licence No. 225200 ("AFSL") issued by the Australian Securities and Investments Commission ("ASIC") which allows it to operate the Club and issue interests in the Club.

Wyndham is a wholly owned subsidiary of Travel + Leisure Co. (formerly known as Wyndham Destinations Inc.), a public company listed on the New York Stock Exchange and the world's leading membership and leisure travel company.

1.2 Wyndham Vacation Clubs South Pacific Ltd – the Responsible Entity

As Responsible Entity and the holder of an AFSL, we must operate the Club in accordance with a number of regulatory requirements to protect the interests of all members in the Club (“Club Owners” or “Owners”) including the holding of all Club property on trust for Owners. Our duties as Responsible Entity include the requirement to act honestly; carry out our obligations under the Club Constitution; ensure the effective operation of the Club; act in the best interests of all Owners; and if there is a conflict between the Owners’ interests and our own interests, we must give priority to the Owners’ interests.

We set the Vacation Credit values required to stay at each Club Apartment, on the recommendation of the Developer, and are also responsible for the allocation of Vacation Credits from time to time when additional Club Apartments are made available to Club Owners.

A more detailed explanation of how Vacation Credits are determined and issued by Wyndham is set out in Section 4.

For our services, we receive an annual management fee which can be up to 15% of the total expenditure of the Club (excluding the management fee itself) - this is billed on a monthly basis and payable by the Club in arrears within 30 days of the end of each month. We are also entitled to be paid or reimbursed for all costs, charges and expenses, including taxes where appropriate, incurred by us in the proper performance of our duties as Responsible Entity of the Club. We may accept a lower fee at our absolute discretion. In the financial year to 31 December 2021 the management fee paid to us was 9.85% of the Club’s total expenses.

1.3 The Developer

We have authorised Wyndham Destinations Asia Pacific Pty Ltd (“the Developer”) as a representative under our AFSL (Corporate Authorised Representative No. 227146) and appointed it to provide the marketing and sale of interests in the Club as well as providing a number of services to assist us to carry out all duties as Responsible Entity. The Developer is also a wholly owned subsidiary of the parent company, Travel + Leisure Co. and is a related party as defined under the Corporations Act.

One of the Developer’s duties is to locate future properties to be acquired by the Club (we have the right to reject the nominated properties prior to acquisition), provide recommendations for the number of Vacation Credits to be allocated against new Club Apartments placed into the Club and to provide the funds needed to acquire, refurbish or develop property to be placed into the Club. In exchange, the Developer is entitled to the proceeds of all sales of Vacation Credits, when issued (i.e. sold) to Owners.

The Developer may also, from time to time, offer benefits directly to Owners which are separate and distinct from the features of the Club and which may incur additional fees payable to the Developer.

The Developer can hold Vacation Credits however, to protect Owners, it is limited to a maximum of 10% of the total voting rights of all other Owners regardless of the number of Vacation Credits it holds.

This chart sets out the global brands associated with Travel + Leisure Co.

2. CLUB WYNDHAM SOUTH PACIFIC

2.1 Key Features

This table is a summary of the key features of Club Ownership. You should refer to the section noted in this PDS for full details.

FEATURE	DESCRIPTION	MORE INFO
What is Club Wyndham South Pacific?	The Club is a timeshare managed investment scheme that provides an affordable, flexible and easy way of holidaying in the South Pacific, North Pacific, South East Asia and Europe. The Club differs from traditional timeshare and offers you the ability to own Vacation Credits that can be used to holiday at any of the Club Resorts instead of being restricted to the same apartment, for the same length of stay, at the same time of year.	Section 2
What is being offered?	The opportunity to purchase interests ("Vacation Credits") in the Club which are renewed annually and can be exchanged for accommodation at the location and time chosen by you, subject to the number of Vacation Credits that you own and availability of the accommodation. Owners receive a beneficial interest in the Club assets in proportion to the number of Vacation Credits held.	Section 4 and Section 5
Ownership types	Premier Ownership and Standard Ownership. An application for Premier Vacation Credits can only be made following a presentation or invitation by Wyndham or its authorised representatives. An application for Standard Vacation Credits can be made at any time. Standard and Premier Owners have the same voting rights and pay the same level of Annual Levies based on the number of Vacation Credits owned, however Premier Owners have an increased number of benefits and a longer term of Ownership.	Section 2
What is the term of Ownership?	The term of Ownership for Premier Owners is until 29 February 2080 – you will own your own holidays for the life of the Club. The term of Ownership for Standard Owners is either 40 years or until 29 February 2080 whichever is the lesser term.	Section 2
Where can I holiday?	The Club currently owns and operates apartments or owns fractional interests in apartments in 52 locations within the South Pacific, North Pacific, South East Asia and Europe. As at the date of this PDS that includes Australia, New Zealand, Fiji, Thailand, Indonesia, United States of America (Hawaii), Germany, Italy, France and Japan.	Section 3
How do Vacation Credits work?	You receive an annual allocation of Vacation Credits which are valid for two years. You exchange your Vacation Credits for accommodation in the Club. Each Club Apartment has been assigned a Vacation Credit value depending on the location of the Resort, size of the Apartment, length of stay and date of stay. The current Resort Directory sets out how many Vacation Credits are needed for each Club Apartment. The number of Vacation Credits you require will depend on your individual holiday needs.	Section 4
Are there any restrictions on the accommodation I can reserve?	All Club Owners have a 13 month booking window to book Club Apartments. However accommodation is subject to availability at the time of booking and you may not be able to stay at your preferred Resort at your preferred time particularly at peak holiday times or for popular Resorts. We recommend that accommodation is booked as far in advance as possible to increase the chance you will be able to book the Apartment of your choice. Owners are also able to 'waitlist' for Club Apartments. Other than availability and having enough Vacation Credits for the time you wish to book, there are no restrictions on which Club Apartments Premier Owners can book. There are some length of stay restrictions to ensure all Owners have fair access, such as weekend bookings and these rules are contained in the Guidelines and Regulations. There are also flexible booking and cancellation policies allowing you to change your bookings without penalty provided you cancel with sufficient notice.	Section 4 and Guidelines and Regulations

2.2 How Does the Club Work?

Most of us look forward to the times when we can head off on a well-earned holiday, or even just a short break to recharge our batteries. While most families work towards owning their own homes, when we take our annual holidays and short breaks, we typically rent rather than own our holiday accommodation.

The philosophy behind vacation ownership is much the same as the reason people own their homes or motor vehicles. During the life of an average person or family, money spent on the rental of holiday accommodation can be substantial, while Owners of Vacation Credits in the Club pay a once-only acquisition cost plus Annual Levies to own their holidays year after year for the term of the Club.

Unlike a traditional timeshare, you are not limited to the same week, at the same time of year, in the same apartment, at the same resort. Ownership in the Club allows you to holiday your way.

Additionally, you are protected from inflation on the Vacation Credit exchange value for current Club Apartments as these values will not increase.

Owners acquire Vacation Credits which give them access to stays in Club Apartments. Put simply, Vacation Credits are a form of holiday currency. Depending on the number of Vacation Credits you own, and subject to availability, holidays can be taken at any Club Resort whenever you like during the year, in a variety of property types, for as long as you want – a day or two, a week or more! You can also share your Vacation Credits as a gift for family, friends and associates. The Resort Directory sets out how many Vacation Credits are required to stay in each Club Apartment.

The Resort Directory is provided to every Club Owner and is also available on the Club website.

As an Owner, there are also additional or optional benefits or ways you can use your Vacation Credits such as Bonus Time, Fun Time and One Time Credits. There are also ways that you can use your Vacation Credits to stay in non-Club Resorts and programs offered by the Travel Club from time to time. These terms and benefits are explained in more detail in Section 8 of this PDS.

When you become an Owner, Vacation Credits are deposited into your Ownership account ready for immediate use. When you make a reservation, the number of Vacation Credits needed for that reservation is automatically withdrawn. Then, on the anniversary date of Ownership, your account will again be credited with the full number of Vacation Credits you own. You can check your current Vacation Credit balance at any time on the Club's website or by contacting us directly.

There are two types of Ownerships which each have different rights – a Premier Ownership or a Standard Ownership. Section 2.3 of this PDS explains each Ownership type

1. Complete the Application Form accompanying this PDS in full;

If you would like to attend a presentation, please contact us (see contact details in the Corporate Directory of this PDS).

Money received from you will be held in a trust account on your behalf pending completion of the application process. Any interest received will be retained by us to offset bank and administration costs.

3. CLUB RESORTS

3.1 Club Resort Locations

Owners are provided with an attractive mix of drive-to, regional, urban and exotic holiday destinations. The Club offers its Owners a wide range of accommodation types, from studios to Grand and Presidential suites. What also sets the Club apart from others is our commitment to maintaining the Apartments like new, by allocating a portion of your Annual Levies to a reserve fund so you can enjoy beautiful, quality accommodation on every holiday. This section details all current Club Resorts available to Owners at the date of this PDS.

More detailed information including complete details of all amenities and the Vacation Credits required to stay at all the Club Resorts is contained in the Resort Directory available at clubwyndhamsp.com/disclosure.

Club Apartments may be situated in Club Resorts which are 100% owned by the Club or the Club may only own some of the apartments at a property which may or may not be managed by the Developer. The Club also owns interests in other timeshare clubs which provides Club Owners access to property owned by the third party club. You will find more details about each individual Club Resort in this section.

3.2 Use of Club Apartments

Refurbishment and Construction Works

In order to maintain Club Apartments at a high standard, they need to undergo changes and refurbishment from time to time. We will always advise Owners of any works or any disruptions by email or on our website as soon as we become aware of these. For any further information on current works at Club Resorts please visit clubwyndhamsp.com/resorts and select the Club Resort for more details.

Non-Australian Residents

If you are a non-Australian or non-New Zealand resident, you are not permitted to stay in one or more of the Club Resorts in Australia in aggregate for more than four weeks in any 12 month period unless otherwise consented to by the Australian Treasury or permitted under the Australian Foreign Investment policies, regulations or the like.

Liability for Damage

You are responsible for any damage or loss of any items that might occur when you or your guest occupy any Club Apartment.

Apartment Types

Club Apartments are designed to accommodate certain numbers of guests, so singles, couples, friends and families may find the Club Apartment size that is perfect for them. To comply with local authority rules and to maintain standards, Club Apartments have set accommodation occupation limits, which are contained in the Resort Directory but these are generally as follows:

- Suites / Studio Apartment: max 2 persons
- One-bedroom Apartment: max 4 persons
- Two-bedroom Apartment: max 6 persons
- Three-bedroom or Grand Apartment (formerly known as Penthouse): max 8 persons
- Four-bedroom Apartment: max 8 persons

Check with Owner Services for specific details, as there are some variations depending on floor plans and locations.

TIP: When you have visitors at your Club Apartment, make sure that you do not exceed the room's occupancy limit.

4. VACATION CREDITS

4.1 How Vacation Credits Work

You are issued with your allocated number of Vacation Credits each year, giving you flexibility in the choice of using any of the Club Apartments depending on the number of Vacation Credits you have available and Club Apartment availability.

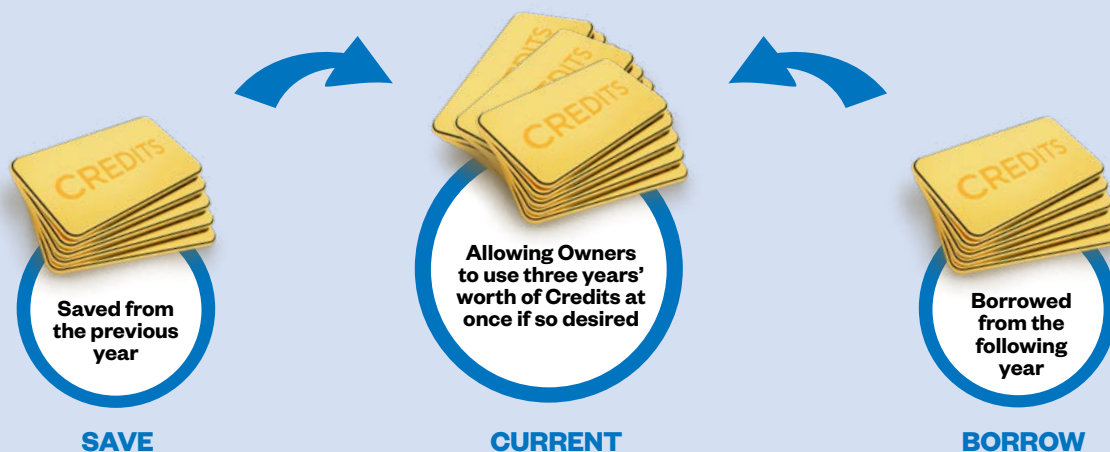

The Club's Vacation Credit system works much like a traditional bank account. When you become an Owner, Vacation Credits are deposited into your Owner account, ready for immediate use. When you make reservations, the number of Vacation Credits needed for that particular holiday booking is automatically withdrawn. Every year, your account is again credited with the full number of Vacation Credits you own (unless, as a Premier Owner, you have borrowed from your next year's account). The Vacation Credits are credited to your account on your Anniversary Date which is the first day of the month, one year following the month in which you were first issued Vacation Credits.

For example, if you are first issued 10,000 Vacation Credits on 10 January, your Anniversary Date will be 1 January each and every year thereafter. You can also check how many Vacation Credits you hold at any time on your online account or by contacting us.

Premier Owners must use their Vacation Credits within two years from the date they are issued to you (Standard Owners must use their Vacation Credits within one year). All unused Vacation Credits will expire, unless you have an accepted reservation for those Vacation Credits which is made before expiry. Premier Owners can also choose to borrow Vacation Credits from the upcoming year to increase holiday options in the current year, as long as your annual levy payments are up to date. This means that Premier Owners can potentially use three years of Premier Vacation Credits for one holiday (last year, current year and next year). Premier Owners can also choose to borrow housekeeping tokens from the following year if required. Further details on housekeeping tokens and fees is set out in Section 7 of this PDS.

SAVING AND BORROWING VACATION CREDITS (PREMIER OWNERS ONLY)

4.2 How Vacation Credits are Allocated

As a Responsible Entity, we must ensure that there is sufficient accommodation available to satisfy all the issued Vacation Credits in any given year. We satisfy this obligation by maintaining a register of all Club Apartments and the allocated Vacation Credits against which we can compare the number of Vacation Credits issued to Owners. The number of Vacation Credits issued to Owners must not exceed the number of Vacation Credits allocated against Club Apartments.

When a Club Apartment is transferred into the Club we allocate a value to that Apartment in terms of Vacation Credits. The number of Vacation Credits we allocate and how they are allocated on a daily or weekly basis depends on a number of factors including the location of the Resort, size of the Apartment (i.e. number of bedrooms), facilities, costs to operate the Resort, purchase costs of the Resort, the time of the year, the days of the week and any other relevant factor including recommendations by the Developer.

4.3 Understanding Credit Charts

The total number of Vacation Credits allocated to each Club Apartment annually can never be increased, protecting you against Vacation Credit inflation for those Club Apartments in the Club at the date you join. We can, however, alter the Vacation Credits allocated for different days or seasons of the year as long as the total annual value does not increase. The number of Vacation Credits required to book a particular Club Apartment will be determined by Resort location, date of stay (season), room type and length of stay.

You can calculate the number of Vacation Credits you need for your holiday by referring to the Resort Directory, calculating the Vacation Credits online at clubwyndhamsp.com/credit-calculator in your online Owner account or by speaking to our Owner Services team.

The Resort Directory is available online at clubwyndhamsp.com/disclosure. Please contact Owner Services if you would like an email or paper copy.

UNDERSTANDING CREDIT CHARTS

When planning your holidays, it is important to remember that the number of Vacation Credits required to book a particular resort will be determined by 1, 2, 3 and 4 below. We'll use Club Wyndham Coffs Harbour Terraces as an example:

1 RESORT LOCATION

The location of the resort.

2 SEASON

The season that you wish to book in:

- Red (high season)
- White (medium season) or
- Blue (low season)

3 ROOM TYPE

The apartment size you desire (e.g. one-bedroom or two-bedroom).

Please note the number of people that each type of apartment can accommodate – limits may not be exceeded.

4 LENGTH OF STAY

The length and days of the week you will be reserving.

		Nightly Rate (in Vacation Credits)			Weekly Total

4.5 Making a Reservation

Reservations can be made online via your Owner account on the Club's website or by calling our Owner Services Team.

Reservations for Club Apartments can be made up to 13 months in advance of the first day of your stay and are processed on a first to book, first served basis, subject to availability. Club Apartments are assigned to Owners based on the set date of the reservation, not the time of check-in. Some Club Apartments with special features (such as preferred views) may be ranked using the Best Fit System so that earlier reservations have priority of assignment.

As availability is subject to demand and seasonal constraints, you may not be able to obtain accommodation at your preferred location and/or at your preferred time especially during peak holiday times or for popular Resorts or room types. The earlier you make your reservations, the higher the probability of obtaining your preference.

All Owners have the same 13-month advance booking window and are given equal opportunity to obtain accommodation at their preferred location at their preferred time.

It is recommended that all reservations be booked online or by telephone. Reservations made online can be confirmed immediately. Any reservation requests received by email or mail will be processed upon receipt. We will not be responsible for lost documents or the processing time of requests for reservations when they are sent by e-mail or mail.

4.6 Reservation Restrictions

We have implemented some restrictions for reservations to allow all Owners to have an equal and fair opportunity to use all Club Apartments, such as some limits that apply to types of stay booked within various time periods. The full details are set out in the Club Guidelines and Regulations which are contained in this PDS and can also be viewed on our website.

The following table sets out a summary of some of the current restrictions when making reservations, note that Guidelines and Regulations may be amended from time to time:

RESTRICTION	DETAILS
Weekend Only stays	Only one Friday and Saturday night booking can be held at any one time for each full block of 6,000 Vacation Credits owned. For example, an Owner with 6,000 Vacation Credits can only have one Weekend Only reservation at a time. An Owner with 12,000 Vacation Credits can have two Weekend Only reservations at a time.
Red Season reservations made more than 9 months in advance	<p>A minimum stay of seven consecutive nights applies to all bookings made more than nine months in advance for a Red Season booking.</p> <p>You can choose to split the seven nights between two or more Resorts (but nights must be consecutive: the first night of stay at each Resort must fall within 13 months from the date of reservation; and housekeeping fees will apply for each Resort).</p> <p>The exceptions to this rule are:</p> <p>Three-night Sydney rule: A minimum three-night stay is applicable at Club Wyndham Sydney (standard seven-night minimum stay still applies during Blackout Dates); and</p> <p>Red Seasons 3 to 9 rule: There are no minimum stay requirements for reservations made during Red Seasons 3, 4, 5, 6, 7, 8 and 9 (Note: if reservation includes either a Friday or Saturday night then it must be a two-night minimum stay).</p>
Reservations made less than nine months in advance	You can make a reservation for any number of nights provided that you book for at least two nights when a Friday or Saturday is included in the reservation.
Weekend use when reservations made less than 9 months in advance	A two-night minimum stay applies when booking and staying a Friday or Saturday night, unless only one of those nights is available.
Sydney Reservations	At Club Wyndham Sydney there is a three consecutive night minimum stay during Red Season for any reservation made more than nine months in advance, except for those dates described as "Blackout Dates". During the "Blackout Dates" there is a seven consecutive night minimum stay but the nights can be split between Sydney and another Resort (but note that housekeeping fees will be applicable for each Resort). The "Blackout Dates" change each year and are listed in the Club Guidelines and Regulations contained in this PDS and on our website.
Hawaii Resorts	Seven consecutive night bookings only are available with arrivals on fixed days of the week, subject to change each calendar year. Any additional nights will need to be made as a separate booking. Housekeeping token or fee applies to each reservation, and separate reservations are not guaranteed to be in the same Club Apartment.

4.7 Cancelling a Reservation

You can cancel or amend your reservations online by logging into your Owner account on the Club website, by calling us or by sending an email to the Owner Services Team. To be fair to all Owners, cancellations are subject to specific guidelines. Owners who do not cancel within the timelines noted in the cancellation table below will lose the Vacation Credits used for the booking.

You can cancel your reservation without penalty (or loss of Vacation Credits) provided your Vacation Credits have not expired and:

- You cancel within the periods set out below; or
- If another Owner makes a reservation for the period you have cancelled (if you cancelled after the date specified in the letter sent to you confirming the reservation). You will need to call the Owner Services Team after the date of your intended stay, to check if your apartment was re-booked.

FOR RESERVATIONS MADE:	NO PENALTY IF CANCELLATION NOTICE GIVEN AS FOLLOWS:
13 months to 61 days in advance	At least 30 days before use
60 days to 15 days in advance	At least 10 days before use
14 days to 48 hours in advance	At least 48 hours before use
48 hours to 0 hours in advance	No cancellation allowed

4.8 Management of the Club's Reservation System

The Club uses a system to match the best fit for the reservation with availability. The computerised reservation system is carefully maintained and monitored to ensure that all reservations are made in compliance with the Club Constitution and Guidelines and Regulations and various codes are in place to prevent reservations being made that are in breach of these.

Please note that Wyndham cannot accept requests for Apartments with specific views or location, unless this is specified according to the room type (e.g. Deluxe Ocean View Apartment).

5. FEATURES AND SAFEGUARDS

The objective of the Club is to provide all Owners with the lifestyle opportunity to own their future holidays in good quality Club Apartments for the term of the Club.

5.1 Summary of Features and Safeguards

The table below sets out an overview of the benefits and safeguards implemented to address risks. Any benefit marked with an asterisk (*) is available only to Premier Owners.

Regulatory environment	The Club is a managed investment scheme established and operated under the Corporations Act. Wyndham, as the Responsible Entity, holds the AFSL which authorises it to provide financial product advice, issue interests in and operate the Club. In order to obtain and maintain this licence, we must comply with numerous regulatory and compliance requirements including the requirements of the Corporations Act, the terms of the AFSL issued by ASIC, the Club Constitution, the Club Compliance Plan and regulatory guidance issued by ASIC. See Section 9 for further information on the Club's governing documents and regulatory guidance.
Compliance program	Wyndham has an extensive compliance program including a Compliance Plan in place to ensure that we comply with all of our regulatory obligations. Compliance with the Compliance Plan is supervised by the Compliance Committee, the majority of which is made up of independent members. In addition, independent auditors undertake annual financial audits on the accounts of the Club and the Responsibility Entity and an annual audit of the Compliance Plan. See Section 9 for further details on the compliance program.
Access to all Club Resorts	As a Club Owner you have access to all Club Apartments owned by the Club as at the date you join the Club.
Access to all future Resorts*	You also have access to any future Club Resort that may be added into the Club from time to time.
Credits are renewed each year	Premier Vacation Credits are automatically renewed each year for the life of the Club. Standard Vacation Credits are automatically renewed for the lesser of 40 years or the life of the Club. For example, if you buy 6,000 Premier Vacation Credits on 1 July, you will receive 6,000 Vacation Credits each and every 1 July for the life of the Club.
Credit values for Club Apartments are fixed	The total annual Vacation Credits allocated to each Club Apartment can never be increased. Wyndham can alter the number of Vacation Credits for different days and/or seasons but the total number of annual Vacation Credits for a particular Club Apartment will not increase during the term of the Club.
Ownership for life of Club*	Premier Ownership will continue for the life of the Club (i.e. until 29 February 2080 unless wound up earlier) – you own your own holidays for the life of the Club. Standard Ownership will continue for 40 years from purchase or the life of the Club, whichever is the lesser term.
Beneficial interest in the Club assets	The beneficial interest in the Club is divided into Vacation Credits, with each Vacation Credit representing an equal undivided part of the beneficial interest in the Club. A Vacation Credit does not confer on you a right to a particular part or asset of the Club. On the winding up of the Club, you will be entitled to a share in any net asset (being Club assets less all liabilities), in proportion to the amount of Vacation Credits held. The beneficial interest of Standard Owners is limited to a beneficial interest only in those Club Apartments owned as at the date the Standard Owner joins the Club (including any Club Apartments that replace existing Club Apartments owned as at the date of joining).

Assets held by Custodian	The Trust Company (PTAL) Ltd for Australia, Fiji and New Zealand, CWA Property (HK) Limited for Thailand, United States of America (Hawaii), Japan and Europe (Normandy, Tuscany and Bavaria); and PT WVRAP Properti Indonesia for Indonesia (Bali) holds the legal title, interest or lease to all Club Apartments and we cannot transfer, sell or otherwise deal with the Club Apartments without the knowledge of the Custodian. See later in this Section for further details about the Custodian.
No mortgage or charge over Club Apartments	Club Apartments are held in trust free and clear of any mortgages and charges and neither Wyndham nor the Custodian can grant any mortgage or charge over these assets.
Number of Club Apartments maintained at all times	From time to time, we may sell, transfer or assign Club Resorts or individual Club Apartments. However, we must ensure that a replacement Resort or Apartment is placed into the Club (or into a wholly owned subsidiary) which is considered, on reasonable grounds, to be of at least equal quality to the sold Resort or Club Apartment. The Vacation Credits created by the new Resort or Club Apartment must be at least equal to that of the property sold, transferred or assigned. If we otherwise dispose of Club Resorts or individual Club Apartments, we must ensure that there are authorised but un-issued Vacation Credits at least equal to the number of Vacation Credits allocated to the Club Resort or Club Apartment.
Limitation on number of Vacation Credits issued	The number of Vacation Credits issued (i.e. sold to Owners) is limited to the number of Vacation Credits allocated against each Club Apartment. This means that Wyndham cannot issue or sell Vacation Credits in excess of the number of Vacation Credits created by the addition of Club Apartments into the Club. If the pool of issued but unsold Vacation Credits is exhausted, additional Club Apartments must be placed into the Club before any additional Vacation Credits can be allocated or issued.
Cooling off period	You have cooling off rights. See Section 5.4 for further details.
Use of Vacation Credits	You have the right to use, rent, lend, gift, sell or transfer your Ownership in the Club. See Section 10 for details on how you can transfer your Ownership. Please note that Wyndham has the absolute discretion to approve or refuse any application to transfer your Ownership.
Bonus Time*	As an Owner you have the opportunity to purchase “Bonus Time” which is a way of making a reservation using cash instead of your Vacation Credits. The cost of Bonus Time as at the date of this PDS starts from \$72 per night. See Section 8 for more details.
Additional Developer Benefits*	The Developer offers eligible Premier Owners additional optional benefits over and above the benefits they receive as an Owner. These are separate from your Club Ownership and can be changed by the Developer at any time. The following programs are offered by the Developer as at the date of this PDS: Fun Time, Lifestyle by Wyndham and the use of additional non-Club resorts. Further details of these benefits are set out in Section 8.
Travel Club*	The Travel Club is operated by Travel by Wyndham Pty Ltd, a subsidiary of the Developer. Premier Owners have access to a team of accredited travel professionals to assist with travel arrangements.
Owners can call meetings	Owners have the power to call meetings and to vote on certain issues including the removal of Wyndham as the Responsible Entity and the winding up of the Club. This is subject to the process prescribed by the Club Constitution and the Corporations Act.
Internal and external dispute resolution schemes	Wyndham has an internal dispute resolution process and is a member of Australian Financial Complaints Authority, a free and independent dispute resolution scheme. See later in this Section for full details on these schemes and how you can make a complaint.
Limitation on Developer's voting rights	The Developer can own Vacation Credits in the Club for which it is required to pay Annual Levies. However, the Developer is limited to 10% of the voting rights of all other Owners, even if it owns more than 10% of all Vacation Credits at any time. This provides protection of the Owners' decision-making rights.
Professional indemnity insurance	It is a condition of our AFSL that we hold and maintain an insurance policy that adequately covers professional indemnity and fraud by our officers.
Property insurance	We take all reasonable steps to ensure adequate insurance coverage is in place for all Club property and that the level of cover is reviewed as necessary.

*Available only to Premier Owners.

5.2 Australian Timeshare and Holiday Ownership Council Ltd (ATHOC)

We are a member of ATHOC, which is the industry body established to represent all interests involved in the Australian timeshare industry. ATHOC's mission includes the promotion of a high standard of ethics and adherence to industry best practice amongst its members. As a member, Wyndham must comply with a Code of Ethics and a Code of Practice and provide an annual compliance report to ATHOC. Further details of ATHOC and copies of the Code of Practice can be obtained by visiting the ATHOC website at athoc.com.au.

5.3 Custody Agreement

We have appointed The Trust Company (PTAL) Ltd as the custodian of Club assets in Australia, Fiji and New Zealand, CWA Property (HK) Limited as the custodian of Club assets in United States of America (Hawaii), Japan and Europe (Italy, Germany and France) and PT WVRAP Properti Indonesia as custodian of Club assets in Indonesia (Bali) (all custodians are referred to jointly in this PDS as "the Custodian"). From time to time we may appoint additional custodians if necessary to acquire property in other countries. The general duties and obligations of the Custodian are set out in the Custody Agreements between Wyndham and the Custodian. Under the terms of these agreements, each Custodian must:

- hold the legal title to the real or leasehold property or interests (if issued);
- ensure that the assets are clearly identified as property of the Club and held separately from the Custodian's own assets or the assets of others;
- keep proper records of the assets;
- act in accordance with the proper instructions of Wyndham;
- provide regular reports to Wyndham; and
- otherwise comply with ASIC requirements of acting as a custodian for the Club.

The Trust Company (PTAL) Ltd agreement can be terminated by either party giving three months' notice and the CWA Property (HK) Limited and PT WVRAP Properti Indonesia agreements can be terminated by either party giving 7 days' notice. As at the date of this PDS no such notice has been given or received.

The Custodian is paid fees for its services until the Custodian ceases to hold any Club assets or the agreement is terminated. The fee payable to The Trust Company (PTAL) Ltd is based on a percentage of the total gross asset value of the property held by it with a minimum fee of \$30,000 plus GST per annum. For the financial year ending 31 December 2021, The Trust Company (PTAL) Ltd was paid \$109,033.96.

5.4 Cooling-Off

You have a seven calendar day cooling-off period. To cool off you must give written notice to Wyndham, within the cooling-off period. Details on how to exercise your cooling off rights is set out in the Cooling-Off Statement that will be provided to you if you make an application to purchase Vacation Credits.

The cooling-off period commences on the date you sign the Acknowledgement Form to acknowledge receipt of all relevant documents (this PDS, the Cooling-off Statement, the Subject to Finance Notice (if applicable) and a copy of the Application for Vacation Credits) ("the Acknowledgement Date") and finishes at 5pm AEST on the seventh calendar day from the Acknowledgement Date.

If you elect to cool off, we will refund to you all monies paid. In the event that monies you have paid to us have not been cleared then the refund will be processed once the monies have been cleared by our bank.

You will not be able to cool off during the cooling-off period if you have already exercised any right or received any benefit as an Owner in the Club in relation to the Vacation Credits you are purchasing.

5.5 Complaints and Resolution of Disputes

We have an internal complaints handling program to handle any complaint you may have about your Ownership in the Club.

If you have a complaint, you are encouraged to contact the Customer Care Team by email to customerteam@wyn.com or by calling us.

Every attempt will be made to resolve your issue of complaint or dispute quickly and fairly. However, if your complaint is not resolved to your satisfaction within 30 days then you can elect to refer your complaint to Australian Financial Complaints Authority ("AFCA"). AFCA provide a fair and independent financial services complaint resolution service that is free to consumers. AFCA contact details are:

Mail: GPO Box 3, Melbourne VIC 3001
Telephone: 1800 931 678
Email: info@afca.org.au
www.afca.org.au

5.6 Non-fully Developed Property

The Developer may from time to time fund the acquisition and/or development of vacant land, partly developed land, or apartments in Resorts where refurbishment is to occur ("Non-fully Developed Property"), to be placed into the Club at a later date.

We will not allocate any Vacation Credits against Non-fully Developed Property until it reaches a stage where it is ready for occupation. The Club is not required to fund any acquisition, development or other costs or expenses for Non-fully Developed Property, as all these costs and expenses are borne and paid when due by the Developer.

The Developer has the rights to receive all proceeds of use and sale of any Non-Fully Developed Property. We will, if requested by the Developer, deal with the Non-Fully Developed Property in a manner which is reasonably consistent with the Developer's rights to the proceeds of use and sale of the Non-Fully Developed Property, subject only to the deduction from any proceeds any amount of costs and expenses expended by us on the Non-Fully Developed Property and for which we have not received reimbursement from the Developer. These Developer's rights shall not apply in the event of termination or winding up of the Club.

5.7 Voting Rights

You have the right to vote on certain matters, including our removal as the Responsible Entity, the appointment of a temporary Responsible Entity, certain amendments to the Constitution and winding up of the Club.

Each Owner has one vote on a show of hands. However, on a poll, each Owner is entitled to one vote for each dollar of value of total interest they have in the Club (as determined under section 253F(c) of the Corporations Act). The Developer has one vote for each dollar of value of the interests represented by the authorised but unissued Vacation Credits (and in respect of any issued Vacation Credits held by it), but is limited to 10% of the total voting rights of all other Owners.

Votes may be given personally, by proxy or attorney or, where the Owner is a company, by the authorised representative of the company.

5.8 Subject to Finance

If you have advised us that your purchase is subject to finance approval, you can withdraw an application for Vacation Credits if you do not receive finance approval, decide not to proceed with the finance or reject the offer of finance provided that finance has not yet been provided or the lender has accepted your offer.

6. RISKS

A summary of the significant risks associated with purchasing Vacation Credits is set out below. You should consider these risks before you make a decision to acquire Vacation Credits.

Lifestyle opportunity - not a financial return	Becoming an Owner in the Club provides you with lifestyle or recreational opportunities. It is not designed to provide a financial return or gain.
Expiration of Vacation Credits	Standard Vacation Credits are valid for one year from issue. Premier Vacation Credits are valid for two years from issue. If you do not use your Vacation Credits or otherwise dispose of them before they expire, you will lose them. There is no guarantee that you will use your Vacation Credits in full each year.
Annual Levies and payment default	<p>Annual Levies are payable to assist in the maintenance of all Club assets and the Club. Annual Levies may be increased annually however the increased amount is limited to 5% or the increase to the Consumer Price Index for Australia, whichever is higher. See Section 7 for the current Annual Levies payable by Owners and how future Levies are calculated.</p> <p>If you do not pay your Annual Levies then you will be unable to use your Ownership.</p> <p>Levies will be payable by you as long as you retain Vacation Credits in the Club regardless of whether or not you use - or are able to use - your Vacation Credits. The failure by a significant number of Owners or the Developer to pay Annual Levies could affect the cash flow of the Club and as a result could limit Wyndham's ability to operate the Club and its Resorts.</p>
Additional fees	Fees in addition to Annual Levies may be payable from time to time including special levies, housekeeping fees, fees to use certain Resort facilities (for example, Hawaiian Transient Occupancy Tax for stays in our Hawaii Resorts). Additional fees may be imposed by local or federal governments from time to time. You will be notified of any additional fees or taxes at the time of booking. See Section 7 for full details on all fees and charges payable as an Owner in the Club.
Payment default and forfeiture of Vacation Credits	<p>If you default in paying your Annual Levies you will not be able to use your Vacation Credits. If Levies remain outstanding, Wyndham can, at its discretion, forfeit and sell your Vacation Credits. See Section 10 for further details regarding forfeiture.</p> <p>Levies are payable by you for the life of your Ownership.</p>
Growth of Club and Management Changes	<p>The growth of the Club and the number of Club Apartments acquired after you become an Owner is dependent upon the number of Vacation Credits that are issued and sold to existing Owners or the general public. This may be negatively impacted by economic instability. If the Developer decides to cease the marketing and sale of Vacation Credits in the Club, it is unlikely that further sales of Vacation Credits will take place and no additional Club Apartments will be added.</p> <p>If Wyndham is removed as Responsible Entity of the Club it is possible that all "Wyndham" trademarks and rights to use associated Wyndham clubs may be removed or withdrawn.</p>
Resale of Vacation Credits	<p>We do not provide a resale or redemption service for issued Vacation Credits. There is a limited market for the resale of issued Vacation Credits. As a lifestyle product, you should not expect to sell any Vacation Credits you purchase for the same price that you paid or for an increased price, nor should you expect that over time the resale price will remain stable or increase relative to the price you originally paid. The price you sell your Ownership for may be less than the price you paid for it.</p> <p>If you sell your Vacation Credits you may suffer a financial loss.</p>
Withdrawal from the Club	Once the Ownership has been transmitted to you, you cannot cancel or otherwise withdraw from the Club other than by way of sale or transfer of your Ownership. See Section 10.
Availability	<p>All accommodation is subject to availability and you may not be able to stay at your preferred location or at your preferred time particularly during peak periods such as school and public holidays. Accommodation should be booked as far in advance as possible to increase the chance of securing your first choice.</p> <p>Club Apartments may also not be available from time to time to allow Wyndham to undertake refurbishment but it will always attempt to schedule these works at a time to cause the least interruption to Owners.</p>
Room location	You will not be able to request specific room locations unless the location is part of the room type (e.g. Deluxe Ocean View Room). You may also not be able to obtain accommodation that is adjacent to or with connecting rooms when making multiple room reservations.
Bonus Time	Bonus Time is subject to availability and is not guaranteed. See Section 8 for further information on Bonus Time.

Regulatory environment	The Club is a managed investment scheme that is operated in accordance with the Corporations Act and regulated by ASIC. The way in which the Club is operated may be subject to change as a result of regulatory or legislative changes which are beyond our control.
Travel Club	Travel Club is operated by Travel by Wyndham Pty Ltd and not by Wyndham. Travel by Wyndham has sole discretion over the provision of any benefits and services and can withdraw these at any time.
Developer benefits	Any benefits offered or provided by the Developer are at the discretion of the Developer and may be revoked or changed at any time. Additional fees may also be payable to the Developer to obtain these benefits also at the discretion of the Developer. You should make your decision to purchase Vacation Credits based solely upon the benefits to be gained from Ownership in the Club and not on services provided by the Developer or third parties such as Travel Club, Lifestyle by Wyndham, Fun Time and One-Time Credits. Further details of benefits provided by the Developer are set out in Section 8.2.
General economic and environmental risks (including COVID-19)	<p>There is a risk that the Club may be affected by events outside the control of Wyndham or the Owners including:</p> <ul style="list-style-type: none"> • local and world economic conditions; • government legislation or intervention; • inflation or inflationary expectations; • natural disasters, pandemics, social upheaval, civil or political uprising or war in Australia or overseas; and • general commercial and economic risks faced by businesses including litigation, loss of key staff, disruption in the supply of goods and services and other events that could disrupt normal commercial activity. <p>There is a risk that these events may prevent you from being able to use your Vacation Credits or from being able to access specific Club Resorts due to their location and any travel restrictions imposed or recommended by the Australian or a foreign government. However, you will still need to pay your full Annual Levies as these are required to maintain Club Resorts and operate the Club.</p>
Third Party Management	There is a risk that properties that are managed by non Wyndham (or Developer) related entities may not be managed to the same standard. This means that access to common facilities or the standard at which common areas and facilities are maintained are beyond the control of Wyndham.

7. FEES AND OTHER COSTS

Did you know?

Fees and costs can have a substantial impact on your ability to use your Ownership.

7.1 Purchase Price of Vacation Credits

The purchase price of Vacation Credits is determined by the Responsible Entity on the recommendation of the Developer and can be changed at any time by issuing a new PDS or by issuing a supplementary PDS.

The Developer, as the person entitled to the proceeds of Vacation Credits under the Constitution, may from time to time and at its sole discretion request that we offer discounts to the public or to employees, their families and nominated friends. Any discounts offered are deducted from the Developer's entitlement to the proceeds.

What do you have to pay upfront?

Ownership in an allocation points-based program entitles you to an annual allocation of Vacation Credits to use to stay in Club Apartments. You can find information about the key features of different Ownership options and expiry dates of Vacation Credits at page 9.

Table 1 below shows the purchase price and upfront fees and costs to become an Owner in each Ownership option.

Table 1 also shows the upfront fees you will be charged if you choose to enter into a financing arrangement facilitated by Wyndham. You may choose to obtain your own financing which is subject to fees and costs not disclosed in this table.

Table 1: Purchase Price and Upfront Fees and Costs Summary

OWNERSHIP OPTION	PURCHASE PRICE (INCL. FEES)			ADDITIONAL AMOUNTS UNDER FINANCING ARRANGEMENT ²	
	Vacation Credits	Price per Vacation Credit	Total cost of Vacation Credits (incl fees) ¹	Upfront finance costs	Total cost of Vacation Credits (incl. upfront finance costs)

Standard	Minimum 12,000 No maximum	\$3.00	\$36,159	Nil	\$36,159

1. This includes an establishment fee of \$159 and is calculated on the minimum number of Vacation Credits for type of Ownership. The proceeds from the purchase price will be paid to the Developer. For further information, refer to the Additional Explanation of Fees and Costs at page 37. If you are an existing Owner the purchase price per additional Vacation Credit is the price per Vacation Credit as set out in Table 1 but may be subject to a discount offered by the Developer from to time and deducted from the Developer's entitlement to any proceeds of sale of Vacation Credits.
2. There is no upfront finance cost payable under financing arrangement if you choose to enter into a financing arrangement facilitated by Wyndham. For further information, refer to the Additional Explanation of Fees and Costs at page 37.

7.3 Fees and Costs Summary

As well as the cost of buying an Ownership in the Club, all Owners must pay Annual Levies and other ongoing fees and costs. You have to pay Annual Levies even if you do not use your Ownership.

Table 2 shows fees and costs that you may be charged for a Premier Ownership of 6,000 Vacation Credits which is the Ownership option held by the greatest number of Owners. Taxes are set out in another part of this document.

Some fees and costs such as transfer fees and forfeiture fees may be charged if these circumstances arise.

Table 2 includes the financing costs if you choose to enter into a financing arrangement facilitated by Wyndham.

The exact amount of financing costs will depend on your particular circumstances and will be disclosed separately by the person providing the financial accommodation. You may choose to obtain your own financing which is subject to fees and costs not disclosed in Table 2.

You should read all the information about fees and costs because it is important to understand the costs of your Ownership.

3. One-off fees and costs may also be payable in certain circumstances—for example, if your Ownership is forfeited or transferred. 7.4 How Annual Levies are calculated

Table 3: Annual levies

OWNERSHIP OPTION	AMOUNT		HOW LEVIES ARE CALCULATED
Premier or Standard	Vacation Credits owned	Annual Levies payable	<p>Annual Levies are your share of the total amount of levies budgeted to be raised based on the number of Vacation Credits you hold. For the first year of Ownership, you will be required to pay a pro-rata proportion of the Annual Levies which relates to the remaining period of the calendar year in which you purchased your Vacation Credits (or additional Vacation Credits). This pro-rata payment can be made fortnightly or monthly.</p> <p>For the calendar year from 1 January 2022, Annual Levies are calculated on the following formula:</p> <p>\$717.35 for the first 6,000 – 7,500 Vacation Credits, plus (\$717.35 x 23.07%), for each increment of 2,500 Vacation Credits or portion thereof owned.</p> <p>Your Annual Levy statement will be made available on your online Owner account on or by 1 December each year, for the following year.</p> <p>See section 7.7 for further details on Annual Levies.</p>

7.5 Example of Annual Fees and Costs

Table 4 gives an example of the annual fees and costs for a Premier Owner of 6,000 Vacation Credits over a 1-year period. You should use this table to compare this product with other time-sharing schemes.

Table 4 is only an example and does not reflect the actual costs you will have to pay each year. The example does not take into account any increase in Levies or increases in other ongoing costs that may occur. The Responsible Entity can increase the cost of Annual Levies annually by the higher of 5% or CPI, excluding any increases in taxation, GST and/or extraordinary insurance costs of the Club. You will have to pay Annual Levies and ongoing costs every year of your Ownership, even if you do not use your Ownership.

If financing is facilitated, the estimate assumes you borrowed the maximum portion of the total purchase price available at the maximum interest rate for the maximum loan term for that interest rate. Financing is at the discretion of the person providing the financial accommodation and may not be available.

If you do not pay the costs associated with holding your Ownership your interests may be forfeited and you may also be charged forfeiture fees of between \$0 and your total purchase price.

Table 4: Example of Annual Fees and Costs

OWNERSHIP OPTION – PREMIER OWNER WITH 6,000 VACATION CREDITS		
TYPE OF FEE OR COST¹	AMOUNT	EXPLANATION OF FEES AND COSTS
COST OF MEMBERSHIP —BEFORE FINANCE		
Annual Levies	\$717.35	Your portion of the annual operating and maintenance costs of the Club based on the annual budget set by the Responsible Entity.
Ongoing Ownership fee	Nil	Not applicable.
Special levies	Nil	Levied if necessary for capital improvements or major expenses not covered in Annual Levies. No special levies have been charged during the life of the Club to date. See section 7.7 for more information.
Accommodation usage fees	Nil	Assumes Ownership is fully utilised and bookings are made in high season.
Other fees and costs	Nil	Not applicable.
Total of the above costs of Premier Owner with 6,000 Vacation Credits not including finance costs.	\$717.35	If you held this Ownership option, you would be charged fees and costs of \$717.35 for a 1-year period. This amount does not include finance costs.
FINANCE COSTS		
Annual repayments for financing arrangements ²	\$2,955	Loan principal repayments and interest payments payable monthly by direct debit in the first 12 months of the finance contract.
Ongoing financing costs	Nil	Not applicable.
Total of the above costs of Premier Owner with 6,000 Vacation Credit including finance costs.	\$3,672.35	If you held this Ownership option, you would be charged fees and costs of \$3,672.35 for a 1-year period including finance costs

1. Additional fees may apply

2. The interest rate in the example is based on borrowing the maximum portion of the total purchase price available at the maximum interest rate available under a financing arrangement and the maximum loan term in relation to that interest rate. It assumes the amount borrowed is the maximum portion of the purchase price able to be financed. The interest rate is 13.25% p.a., loan term is 10 years and amount borrowed is \$16,330. The annual repayments during the loan include interest and the amount contributed towards the purchase price.

7.6 Cost of Product Information

Cost of product for 1 year

The cost of product information gives a summary calculation of the cost of each Ownership option over a 1-year period. It is calculated using the same method as the Example of Annual Fees and Costs.

The cost of product information assumes you hold the number of Vacation Credits most commonly held in the Ownership option for the 1-year period.

You should use this figure to help compare this product and Ownership options with other time-sharing schemes and ownership options.

Table 5: Cost of product for 1 year

OWNERSHIP OPTION	COST WITHOUT FINANCE	COST WITH FINANCE
Premier Owner with 6,000 Vacation Credits	\$717.35	\$3,672.35
Standard Owner with 12,000 Vacation Credits	\$1,048.33	NA ¹

1. Finance is not facilitated by the Responsible Entity for this Ownership option. If you obtain your own financing, it will be subject to fees and costs that is not disclosed in this table.

7.7 Additional Explanation of Fees and Costs

In addition to the purchase price, the upfront or ongoing fees and costs associated with an Ownership includes:

- Establishment fee
- Annual Levies that cover maintenance and operation of the Club
- Special levies (if applicable)
- Housekeeping fees (if applicable)
- Additional services (if applicable)

These fees are further explained in this section of the PDS. All dollar amounts are expressed in AU\$ and are inclusive of GST (if applicable).

Fees are determined by the Responsible Entity in accordance with the Constitution and are subject to change from time to time and will be set out in the Club Guidelines and Regulations. Any increases or changes to fees will be notified to Owners at least 30 days prior to the date of change. Housekeeping fee changes will be notified at the time that the Annual Levies statements and budget is issued to Owners.

A. Establishment Fee

When you make an application to purchase Vacation Credits (either for the first time, or when you purchase additional Vacation Credits) you will be charged an establishment fee. This fee covers the administration costs of establishing an Ownership and issuing the interests (or additional interests) in the Club. The current establishment fee is AU\$159.

In the event you exercise your cooling-off rights, this fee will be refunded.

B. Annual Levies

Annual Levies are payable by all Owners (including the Developer) to ensure the upkeep, maintenance, operation of the Club and repair of all Club Apartments. This includes expenses such as:

- cleaning costs
- landscaping
- resort and administration staffing
- fixed outgoings – such as electricity, water, authority rates
- replacement or repair of fixtures and fittings
- insurances
- Responsible Entity management fee
- reserve funds for refurbishment expenses to maintain Club Apartments.

The number of Vacation Credits you own determines the amount of the Annual Levies you pay. Owners of more Vacation Credits pay higher levies because of the greater usage that they will be afforded. The amount of the Annual Levies you pay cannot be negotiated.

We determine the amount of Annual Levies once we have determined the annual operating budget of the Club taking into account all operating expenses, Resort expenses and capital reserves.

Your Annual Levies statement and the Club budget details for the calendar year are made available in your Owner area on the Club website on or by 1 December in the prior year. Email notice will be provided to Owners when these statements are available.

Payment of Annual Levies

You have the option to pay the full amount of Annual Levies in one lump sum by 31 January or arrange to make payments fortnightly or monthly.

Late or Non-Payment of Annual Levies

It is important that you pay Annual Levies on time. If you have any outstanding Annual Levies you will not be able to exercise any rights or privileges of Ownership. For example, you will not be able to make any reservations and existing reservations may be cancelled.

We may take further action on behalf of the Club if default is ongoing. This can include the appointment of credit collection agencies, suspension of Ownership or forfeiture of Vacation Credits. See Section 10 for further details regarding forfeiture of Vacation Credits.

Any Owner who does not pay their Annual Levies by the due date may incur the following fees, which are subject to change:

FEE TYPE	QUARTERLY ACCOUNTS	MONTHLY ACCOUNTS
Late fee for each reminder notice sent to you	AU/NZ\$15 Payable for each quarter in which the full amount due is late or not made	AU/NZ\$10 Payable for each month in which the full amount due is late or not made
Interest on outstanding Annual Levies	15% per annum accrued daily on the amount which is overdue by 60 days or more (e.g. for outstanding Levies of \$717.35, you may be charged \$0.2948 interest for each day they remain outstanding)	
Return cheque charge for each dishonoured, returned or rejected payment	AU/NZ\$25	

Changes to Annual Levies

The Responsible Entity sets the Annual Levies based on the Club's budgetary requirements each year. This means that the Annual Levies may increase each year. The Constitution limits increases in Annual Levies to no more than the higher of the following two amounts above the Annual Levies for the immediately preceding calendar year:

1. 5%; or
2. The percentage increases in the All Groups Consumer Price Index Australia for the 12 month period ending on 30 September prior to the year to which the Levies relate, excluding any increases in taxation, GST and/or extraordinary insurance costs levied in respect of Club assets.

The amount of the Annual Levies you pay cannot be negotiated.

Special Levies

The Constitution provides that special levies may be determined if necessary for capital improvements or major expenses, repairs, or items for which no reserves have been established or for deficiencies in such reserves, for any purposes related to the mutual health, safety and welfare of the Owners or if the Club becomes liable to pay any moneys that it is unable to pay immediately. Owners have not been charged any special levies during the life of the Club to date.

The Constitution also provides that we cannot impose special levies without the approval of the Owners (excluding the Developer) unless the special levies fall into one of the following categories:

1. Special levies in the aggregate of a Club Financial Year that do not exceed 5% of the Annual Levies for that calendar year, subject to point 2 below;
2. Special levies for the repair or rebuilding of Club Apartments and facilities that do not exceed 10% of the budgeted Annual Levies for the calendar year in which a special levy is imposed; and/or
3. A special levy against an individual Owner to reimburse the Club for the costs of that Owner's non-compliance with the Constitution and the Guidelines and Regulations.

Special levies are levied on Owners on the same basis as Annual Levies, with the exclusion of special levies against a specific Owner (see point 3 above). Standard Owners however will only be liable for special levies relating to their respective Standard Owner Apartments including their use thereof.

If any special levies are payable, the amount of the special levies you pay cannot be negotiated.

As at the date of this PDS, we are not aware of any circumstances that may result in the issue of special levies.

Responsible Entity Management Fee

Wyndham is entitled to receive a management fee for managing the Club and acting as Responsible Entity. The Club Constitution states that the Responsible Entity is entitled to an annual management fee of 15% of the actual consolidated expenditure of the Club. In the financial year to 31 December 2021 the management fee paid to Wyndham was 9.85% of the Club's total expenses.

C. Housekeeping Fees

You are entitled to one housekeeping service annually for each 10,000 Vacation Credits you own as set out in the following chart. These are allocated by way of tokens into your Ownership account. Any housekeeping services (i.e. tokens) not used in a particular year will be carried forward to the next year only and expires after that second year if not used. All housekeeping services (i.e. tokens) provided in excess of your allowance will be conducted at your expense. Premier Owners can also borrow their housekeeping services from the following year on the same terms that Vacation Credits can be borrowed. See Section 4 for details.

The Club performs a housekeeping service at the end of each stay, and, if your stay is in an Apartment situated within a Club Resort managed by Wyndham or the Developer, a mid-stay housekeeping clean is conducted if a continuous stay in one Apartment exceeds seven nights. Additional housekeeping services are also available at your request and expense. A seven night minimum stay that has been split between Resorts requires a housekeeping token (or fee) at each Resort. The Developer may offer housekeeping benefits but these are separate and distinct from the above.

VACATION CREDITS OWNED	NO. OF HOUSEKEEPING TOKENS PER YEAR
6,000 – 19,999	One
20,000 – 29,999	Two
30,000 – 39,999	Three
40,000 – 49,999	Four
50,000 – 59,999	Five
60,000 – 69,999	Six
70,000 – 79,999	Seven
80,000 – 89,999	Eight
90,000 – 99,999	Nine

Example of Housekeeping Fees

An Owner with 10,000 Vacation Credits has 1 stay in a Club Apartment for 1 week for 10,000 Vacation Credits. They use their annual housekeeping token. No additional housekeeping fee is payable.

Housekeeping fees are subject to change and details will be provided by way of an updated PDS or supplementary PDS. The housekeeping fees that may be payable by you effective from 1 January 2022 are as follows:

APARTMENT TYPE	STANDARD*	DELUXE*	GRAND*	PRESIDENTIAL*
Studio or Hotel room	AU\$95	AU\$104	AU\$116	AU\$129
1-Bedroom	AU\$109	AU\$116	AU\$129	AU\$139

3-Bedroom	AU\$133	AU\$139	AU\$149	AU\$196
4-Bedroom	N/A	AU\$149	AU\$196	AU\$217

*This fee is expressed in AU\$ (inc. GST)

D. Local Authority or Government Taxes

Stays at some of the Club's international Resorts may incur occupancy taxes, fees or charges imposed by the local councils, and they can range from US\$1 to US\$15 per night depending on Apartment size and location. Full details of these charges can be obtained from the Owner Services Team at the time of reservation.

Hawaiian Taxes

The Department of Taxation for the State of Hawaii imposes various taxes on Owners and Guests who stay in the Hawaiian Resorts. These taxes are payable directly to the Resort and will be applied to your room account for payment on checkout.

These taxes include:

- Transient Occupancy Tax ("TOT") of between US\$6 and US\$12 per night, depending on accommodation type.

Further details of these additional fees can be obtained from the Owner Services Team at (or prior to) booking.

European Taxes

Local European municipalities impose various taxes on Owners and Guests who stay in the Tuscany, Bavaria and Normandy Resorts. These taxes are payable directly to the Resort and will be applied to your room account for payment on checkout.

Further details of these additional fees can be obtained from the Owner Services team at (or prior to) booking.

E. Transfer Fees

The Constitution permits the Responsible Entity to charge an administration fee when you request a transfer or change to your Ownership. Wyndham has absolute discretion to approve or refuse any application to transfer your Ownership.

If the transfer is approved, fees are payable are based on the type of transfer requested and the administration cost to the Club. Current fees payable are set out in the below table:

TRANSFER OR CHANGE TYPE	WHEN PAYABLE	AMOUNT
Deceased Estate transfer	When requesting a transfer of Ownership due to the death of the current Owner.	Free
Add or remove Owner	When requesting an Owner to be added to, or removed from, the Ownership.	\$100
Transfer of Club Ownership	When requesting Ownership to be transferred to a new Owner or transferring to company or trust.	\$200
Split/Combine of Club Ownerships	When requesting your Ownership to be split into two separate Ownerships or to be transferred to an existing Owner.	\$300

F. Statement of Account Fee

Statement of account fees apply when you request a statement of the transactions on your Ownership account as set out in the below table:

STATEMENT TYPE	WHEN PAYABLE	AMOUNT
Statement of account for last 24 months	When requesting a statement detailing transactions on your Ownership over the last 24 months.	\$5 per statement
Statement of account from specific purchase date	When requesting a statement detailing transactions on your Ownership since the date of a specific Vacation Credit purchase (if this is longer than 24 months in duration).	\$10 per statement
Statement of account from original date of Ownership	When requesting a statement detailing transactions on your Ownership since the date you became an Owner, including first and subsequent additional purchases of Vacation Credits.	\$15 per statement

G. Government Charges and Taxation

We are not able to provide you with tax advice and you should obtain your own tax advice when purchasing Vacation Credits, based on your own personal circumstances.

GST

There is no GST payable on the purchase of Vacation Credits which are treated as input taxed financial supplies. In addition, no GST is payable on Annual Levies.

All fees and charges referred to in this PDS are inclusive of GST unless otherwise mentioned.

Other Taxes

All government taxes such as stamp duty, GST and value added tax which are payable by the Club will be deducted from the Club assets as appropriate.

You may be required to pay tax or duties on the transfer or disposal of your Vacation Credits depending on your individual circumstances and you should seek your own advice.

H. Suspension or Forfeiture of Ownership

Suspension

Wyndham may suspend the use of Vacation Credits by any Owner as follows:

- If there is a failure to pay any fees including Annual Levies when they are due and payable, until such time as all outstanding amounts are paid in full or another alternative payment resolution is agreed at the discretion of the Responsible Entity; and
- Where a dispute between joint Owners arises as to the use of the Vacation Credits, until such time as the dispute is resolved by the joint Owners and notice is provided by both Owners to this effect.

If your use of Vacation Credits is suspended, you will not be able to exercise any rights or privileges of Ownership. For example, you will not be able to make any reservations and existing reservations may be cancelled. You will still be required to pay your Annual Levies and any finance payments during the suspension.

Forfeiture

Your Ownership may be forfeited and sold by Wyndham if:

- There is an ongoing arrears of Annual Levies; or
- There is a default or ongoing arrears under a finance agreement, notice of which has been provided to Wyndham.

The process that Wyndham must follow when forfeiting an Ownership is set out in section 10 of this PDS.

I. Proceeds of Purchase Price

The Developer provides the funding necessary to acquire, refurbish or develop new Club Apartments. When new Club Apartments are transferred into the Club, Vacation Credits are issued. The proceeds of sale of those Vacation Credits are paid to the Developer.

J. Payment of Commission

As the Responsible Entity, we do not pay any commissions in relation to the promotion, sale or issue of Vacation Credits.

The Developer in its role as corporate authorised representative will pay, from its own resources, commissions, fees and other benefits to its employees in connection with the making of the recommendation or sale of Vacation Credits.

The details of any payments made as a result of providing a recommendation to purchase Vacation Credits will be set out in the current Financial Services Guide that will be provided to you.

8. OTHER BENEFITS OF BECOMING A PREMIER OWNER

In addition to receiving Vacation Credits annually, there are a number of other benefits available to Premier Owners. These benefits include Bonus Time, which is provided by the Club and other benefits which are provided by the Developer from time to time at its own discretion. The Developer benefits are separate to your interests in the Club and are subject to change at any time. Therefore your decision to purchase Vacation Credits should be based solely upon the lifestyle benefits gained from Ownership and use of your Vacation Credits in the Club and not on any Developer benefit.

8.1 Bonus Time – an Additional Club Benefit

As a Premier Owner you can purchase additional nights in Club Apartments at concession rates ("Bonus Time"). Bonus Time is perfect for shorter holidays, and frees up Vacation Credits for longer stays. Conditions of use are established by the Club Constitution and the Guidelines and Regulations, which are summarised as follows:

1. Bonus Time is available at any time during the year (subject to availability) and is currently charged as follows (including housekeeping fees):

RESORT LOCATION	CHARGES
Australia Indonesia Germany France Japan Italy	AU8.0¢ per Vacation Credit value of the booking with a minimum charge of AU\$80 per night
New Zealand	AU8.4¢ per Vacation Credit value of the booking with a minimum charge of AU\$84 per night
Fiji	AU7.8¢ per Vacation Credit value of the booking with a minimum charge of AU\$78 per night
Thailand	AU7.7¢ per Vacation Credit value of the booking with a minimum charge of AU\$77 per night
United States of America (Hawaii)	AU7.2¢ per Vacation Credit value of the booking with a minimum charge of AU\$72 per night

2. The Bonus Time fee must be paid at the time of making your reservation.
3. Bonus Time may be reserved up to 14 days before the requested arrival date. Bonus Time reservations for Exotic Resort accommodation may be made up to 30 days before the requested arrival date.
4. If the reservation is made for a Guest's use (and not the Owner), the reservation can only be made within five days of the requested arrival date.
5. Bonus Time reservations are limited to a maximum of four nights per stay, or seven nights in an Exotic Resort, but may be used in conjunction with Vacation Credits to increase the period of stay

(so long as the combined reservation meets the requirements for a Bonus Time reservation). Where Bonus Time is used as a standalone reservation, a minimum stay of two nights is required.

6. You may hold only one Bonus Time reservation at a time until it is used. If the Owner is to stay at more than one Club Resort, the reservations must be for consecutive nights.
7. For each full 10,000 block of Vacation Credits owned, an Owner may have only one Weekend Only Bonus Time reservation each calendar quarter (e.g. 6,000-19,000 Vacation Credits owned entitles the Owner to one Weekend Only Bonus Time reservation each calendar quarter).
8. If you cancel a Bonus Time reservation less than 48 hours in advance, there is no refund unless another Owner utilises the available room for the reserved period.
9. An Owner may rent out Bonus Time usage only for the amount the Owner pays for the Bonus Time (i.e. you cannot rent out your Bonus Time booking for an amount higher than what you have paid to the Club).
10. Bonus Time revenue is a Club asset, however we have the right to increase the cost of Bonus Time, provided that it does not:
 - a) Exceed an amount equal to 10% of the current purchase price of Premier Vacation Credits as stated in Section 7 of the PDS; and
 - b) Increase by more than the greater of 10% or CPI in any one calendar year.

The below examples show how the Bonus Time fee is calculated. The Resort Directory sets out the Vacation Credits values.

Other Programs

From time to time we may offer programs which allow Owners to access Club Apartments at less than the usual allocated Vacation Credit value. We do this by using Vacation Credits that are due to expire to offset an Apartment's allocated daily Vacation Credit value. If you do not wish to participate in any of these programs you can choose to opt out at any time. To opt out, please contact us. Details of the programs and packages available will always be displayed on our website together with the full conditions of use. Please note that these programs can be withdrawn at any time, at our discretion, as the Responsible Entity of the Club.

8.2 Developer Benefits

The Developer from time to time can offer additional benefits to Premier Owners. These benefits are not part of your Club Ownership but are provided separately by the Developer. These benefits are not available to Standard Owners. They are provided at the sole discretion of the Developer and can be altered or cancelled at any time by the Developer. Your decision to purchase Vacation Credits should be based solely upon the benefits to be gained from Ownership in the Club.

The Current Developer Benefits Available to Premier Owners Include:

- One-Time Credits
- Fun Time
- Access to Associate Resorts
- Access to WorldMark, The Club
- Lifestyle by Wyndham Program
- Travel Club

Further details on Developer Benefits can be obtained from the Developer. Please contact the Owner Services Team for further information.

One-Time Credits

One-Time Credits are an additional way for Premier Owners to either make or complete a holiday reservations at Club Apartments without using Vacation Credits.

One-Time Credits are a benefit provided by the Developer but can be used by all Premier Owners and is an additional way of completing a reservation when you don't have enough Vacation Credits. They are called One-Time Credits because, unlike your annual Vacation Credits, they do not renew yearly and once used, will expire.

One-Time Credits are generated when Owners use their Vacation Credits for a benefit other than Club accommodation (e.g. Associate Resort reservations). These Vacation Credits are transferred from the Owner to the Developer and the Developer pays the external supplier. The Developer can then "sell" these unused Vacation Credits ("One-Time Credits") to Premier Owners.

The use of One-Time Credits is subject to conditions set by the Developer and summarised as follows:

1. The purchase price of each One-Time Credit for Premier Owners is currently AU 19¢. This price is subject to change. There is currently no minimum nightly charge applicable. The payment for One-Time Credits must be made at the time of reservation.
2. The availability of One-Time Credits may be limited as it is dependent on the number of Vacation Credits surrendered by Owners in exchange for other non-accommodation benefits. Since all Premier Owners have the right to use One-Time Credits there is no guarantee that they will be available for use. Reservations using One-Time Credits may be difficult to obtain depending on the time and place that you are seeking to book.
3. One-Time Credits can be used in combination with the Vacation Credits you already own, separately, or for family and friends' reservations.
4. A housekeeping service is included. However if One-Time Credits have been combined with Vacation Credits to complete a reservation, then the relevant housekeeping fee prescribed for the Club Apartment reserved will apply.
5. Standard reservation guidelines apply (e.g. you can make reservations using One-Time Credits up to 13 months in advance for Club Resorts).
6. There is no maximum night's stay but any reservation made is subject to availability.

The Developer, with the co-operation of the Responsible Entity, may from time to time establish various programs for the use of One-Time Credits. These Developer programs are separate and distinct from the operation of the Club.

Fun Time

Fun Time is another way to make a reservation in the Resort network using One-Time Credits from the Developer, using cash to stay at Resorts rather than your Vacation Credits.

At any time during the year, Premier Owners can access Fun Time through the Developer, subject to availability.

The cost and conditions of use are established by the Developer and may change from time to time. These are currently as follows:

1. The current cost of Fun Time is AU9¢ per Fun Time Credit (inclusive of housekeeping fee) for all Club Resorts.

Stays in the Fiji, Hawaiian, German, Italian and French Resorts will also incur additional taxes to be paid upon checking out from the resort (see Section 7).
2. Fun Time entitles a Premier Owner to reserve Club Apartments and selected Associate Resorts up to 3 months prior to the requested arrival date. Extended reservation windows are available for Lifestyle by Wyndham Members. See later in this Section for details.
3. A 2 night minimum and a 14 night maximum stay is required to use this benefit.

4. Adjoining reservations can be made for more than one Resort, provided that the Fun Time portions of these reservations are not for more than the allowed maximum of three consecutive nights.
5. Subject to standard reservation guidelines, you are able to make Fun Time reservations up to the equivalent number of Vacation Credits you own (e.g. if you own 10,000 Vacation Credits, you are able to purchase up to 10,000 Fun Time Credits each year).
6. Only one Weekend Only Fun Time reservation can be made per calendar quarter for each 6,000 Vacation Credits owned (e.g. only one Weekend Only reservation at any time).
7. Cancellation conditions are the same as for Club reservations and Fun Time reservations may be cancelled and payment refunded, if the cancellation request is received via email, written or telephone notice, more than 48 hours before the check-in date.
8. If you cancel a Fun Time reservation less than 48 hours prior to the check-in date, your payment will be forfeited for the days reserved. There are no refunds for any early check-out.
9. Fun Time bookings and benefits associated with Fun Time cannot be rented out but may be gifted to another person subject to the Guidelines and Regulations (i.e. you cannot sell or otherwise make a profit from Fun Time bookings). Failure to comply with the Developer's terms of use may lead to suspension of the benefit.

Associate Resorts

Associate Resorts are not owned by the Developer but have been selected by the Developer to provide the option of more destinations to eligible Owners for a limited period.

The Developer may enter into various agreements with third parties for a specified number of apartments within resorts (i.e. outside the Club) to be made available to Premier Owners from time to time. We refer to these as Associate Resorts. The Developer may add, remove or modify Associate Resorts without notice as these properties are subject to a contractual agreement between the Developer and the operator of an Associate Resort.

Premier Owners who are also Lifestyle by Wyndham Members (see later in this Section for details) may be granted access to an extended number of Associate Resorts.

Eligible Owners who wish to take advantage of these agreements must comply with the applicable rules and guidelines of the Associate Resort. Reservations are subject to availability and are made available through the Developer.

The reservation window to make reservations at an Associate Resort may vary depending on the location. Currently, Premier Owners (who are not Lifestyle by Wyndham Members) may reserve Associate Resorts up to 3 months in advance. Extended booking windows are available to Lifestyle by Wyndham Members.

The Owner is responsible for payment of any taxes payable in connection with the Owner's and/or their guest's use of Associate Resorts. The cancellation provisions outlined in Section 4 of this PDS applies to Associate Resort reservations.

Details of any current Associate Resorts available will be made available on the Club website.

Associate Resorts may change from time to time and it is recommended that you visit clubwyndhamsp.com for an updated list of Associate Resorts and to determine the number of Vacation Credits needed to stay at an Associate Resort.

In most cases Associate Resorts are operated independently from Wyndham and the Developer so it is important to note the following:

- Resort, room facilities and standards may vary.
- The Developer is reliant on a third party who operates the Associate Resorts and it is up to that operator to notify the Developer if there are any issues at the Associate Resort or any major maintenance works occurring.
- Rates for properties located outside Australia and New Zealand may fluctuate depending on the value of the local currency.
- Some properties may have a minimum stay requirement. See the Club website for details.

Developer Rental

When the Developer provides benefits to Premier Owners at its own cost it usually collects Vacation Credits from Owners in exchange for the benefits. The Developer then uses those Vacation Credits received for marketing purposes to encourage new Owner sales or monetises the Vacation Credits received by selling reservations made with those Vacation Credits. The rental of reservations by the Developer does not place any additional pressure on availability as they are using Vacation Credits already issued (and which could have been used by the original Owner to make reservations). The Developer must comply with the same reservation rules as other Owners and is permitted to make reservations at any Club Resort at any time as permitted by the Club Guidelines and Regulations.

WorldMark, The Club and Club Wyndham Asia

WorldMark, The Club was formed in North America by Wyndham Vacation Ownership, Inc. in 1989. WorldMark, The Club has more than 90 Resorts ("US Resorts") in the United States, Canada and Mexico. Club Wyndham Asia was formed in Hong Kong in 2015 by Club Wyndham Asia (HK) Limited and has resorts ("Asia Resorts") in Thailand and Indonesia.

Wyndham and the Developer have entered into exchange network agreements ("Agreements") with Wyndham Resort Development Corporation and Club Wyndham Asia (HK) Limited which provides access to the US and Asia Resorts by exchanging Vacation Credits in the Club for the right to stay in the US Resorts and Asia Resorts. North American Owners in WorldMark, The Club and members in Club Wyndham Asia also have the opportunity to exchange their credits in those clubs for the right to stay in our Club Apartments.

The agreement for WorldMark, the Club commenced on 30 April 2010 and expires on 2 November 2026, however it will be extended automatically for 5 years to 2 November 2031 if neither party terminates that agreement. The agreement for Club Wyndham Asia commenced on 7 November 2014 and expires on 7 November 2024 however it may be extended automatically for 5 years if neither party terminates that agreement. There is no guarantee that the Agreements will remain in place for the full period as it may be terminated by written notice by either party on various grounds.

At this time, Wyndham is not aware of any proposed termination.

The benefits of the Agreements are available for the following Premier Owners:

- at no cost for Premier Vacation Credits owned as at 30 April 2010 (limited to US Resorts through WorldMark, the Club only); and
- for Premier Vacation Credits acquired after 30 April 2010 only if they participate in the Lifestyle by Wyndham tiered membership program ("Lifestyle Program") (includes access to both WorldMark, the Club and Club Wyndham Asia depending on tier level). See the following for further details.

To ensure that our Owners' ability to reserve Club Resorts is not materially adversely impacted as a result of the Agreement, all parties will make every effort to allow a neutral exchange balance. If an imbalance occurs due to reservations by WorldMark, The Club or Club Wyndham Asia owners exceeding bookings by Premier Owners, the Developer will provide additional Vacation Credits that it holds to allow exchanges to continue to occur, subject to a cap. This means that reservations made by owners in the other clubs will be subject to how many Club Owners make bookings in those other clubs.

Bookings for reservations at the US Resorts and Asia Resorts can be made 11 months prior to the requested date of arrival and is subject to availability. In exchange, owners in WorldMark, The Club and Club Wyndham Asia have an 11 month booking window to make reservations for stays in our Club. This provides owners of both clubs a two-month advance booking window on the owners of the other club.

When exchanging into WorldMark, The Club and Club Wyndham Asia you must abide by their rules and guidelines. You may also be liable for additional occupancy taxes, fees or charges as imposed by local governments which can range from approximately US\$1 to US\$15 per night (but subject to variation by local governments). These fees will be advised at the time of booking.

Lifestyle by Wyndham

Lifestyle by Wyndham (previously known as "Privileges Program") is a benefits program ("Lifestyle Program") comprising of various membership tiers, offered by the Developer with our co-operation, to eligible Owners ("Lifestyle Members") when purchasing Vacation Credits. Lifestyle Members gain access to a wide range of extra benefits provided by the Developer, for an additional fee that is paid directly to the Developer.

The Lifestyle Program is separate and distinct from the Club. It comprises benefits made available only by the Developer and not the Club. The Developer has sole discretion over the provision of these benefits and can withdraw them at any time.

Lifestyle Membership is not necessary for the use and enjoyment of being a Club Owner and does not affect any of the benefits of Ownership previously described in this PDS.

The benefits of being a Lifestyle Member may differ depending upon the tier of Lifestyle Membership obtained.

Full details of the Lifestyle Program are set out in the Lifestyle Program Guide which can be obtained from the website lifestylebywyndham.com/tiers-benefits or by contacting us.

Additional benefits in this program include:

- increased access to Fun Time
- RCI Exchange Membership
- ICE Cruises Membership Exchange
- Wyndham Rewards Membership

Lifestyle Membership tiers attract an ongoing membership fee. Membership can be cancelled at any time. Membership must be current at all times to take advantage of the Lifestyle Program benefits.

Lifestyle Program benefits will not attach to Premier Vacation Credits that are transferred by an Owner to a third party (a transferee) unless the transferee is an immediate family member or a beneficiary under a will. Transferees may contact the Developer to arrange to join the Lifestyle Program, subject to payment of a fee or other conditions as advised by the Developer from time to time.

Travel by Wyndham – Travel Club

Travel Club is a group of accredited travel professionals who can assist Premier Owners with their travel arrangements throughout Australia and overseas.

It is managed and operated by Travel by Wyndham Pty Ltd which is a subsidiary company of the Developer. Travel Club is a benefit offered directly by Travel by Wyndham to all Owners. Travel by Wyndham has sole discretion over the provision of these benefits and can withdraw them at any time.

9. GOVERNING DOCUMENTS

This section contains a summary of the Club's governing documents and a guide to details contained in those documents. This information is a guide only and not an exhaustive description of the documents.

9.1 Constitution

The Club is governed by its Constitution which is dated 1 March 2000 and has been modified from time to time. The Constitution, together with the Corporations Act, determines our legal rights, duties and obligations, as well as yours, including:

- the rights and interests of Owners
- appointment and removal of the Responsible Entity
- our duties and obligations as Responsible Entity
- the duration and termination (winding up) of the Club
- issue and allocation of Vacation Credits
- fees, expenses and how Annual Levies are raised

We can vary the Constitution at any time if we reasonably consider the change will not adversely affect your rights as an Owner, or otherwise by special resolution of the Owners.

Owners can obtain a copy of the Constitution by contacting us and is also available to Club Owners in the Owner area on the Club website.

a. Responsible Entity

The Constitution vests the assets of the Club in the Responsible Entity to hold on trust for the Owners (subject to, among other things, the rights of the Developer in respect of Non-Fully Developed Property).

The Responsible Entity has, in relation to the assets of the Club, all the powers of a person who is the absolute beneficial owner of the assets. However, the Responsible Entity has vested in the Custodian the legal title to the real and leasehold property placed in the Club with the exception of Non-Fully Developed Property, which is held by the Responsible Entity in its own name. The Responsible Entity may, in certain instances, incorporate a wholly owned subsidiary to hold Club Apartments and will procure the wholly owned subsidiary to arrange for the Custodian to hold in custody the legal titles to such Club Apartments.

Subject to the Corporations Act, the Responsible Entity is not liable to any person by reason of, for example, the Club assets not yielding any specific return, acts, omissions or default of any person and acting in good faith on the advice of professional advisers.

Appointment and Removal of Responsible Entity

The Responsible Entity must retire if it is removed pursuant to the Corporations Act, or the Constitution, including removal by an extraordinary resolution of Owners.

Duties of Responsible Entity

In exercising our powers and carrying out our duties as Responsible Entity we must:

- act honestly;

- exercise a degree of care and diligence that a reasonable person would exercise if they were in the Responsible Entity's position;
- act in the best interest of Owners;
- not make improper use of information acquired through being the Responsible Entity of the Club;
- ensure the Constitution and Compliance Plan meet the requirements of the Corporations Act; and
- report to ASIC any breach of the law by Wyndham or its agents that relates to the Club or is likely to have a material adverse effect on the interests of Owners.

b. Liability of Owners

Liability of Owners is limited to the amount unpaid on the Vacation Credits and Annual Levies or special levies (if any) and an Owner is not liable to indemnify the Responsible Entity or any creditor of the Club.

c. Transfer of Vacation Credits

Subject to the Constitution and relevant statutory requirements, Vacation Credits may be transferred. The Responsible Entity has the absolute discretion to approve or refuse to register a transfer. Transfer fees may be applicable. See Section 7 for details.

d. Termination or Winding Up of the Club

The Constitution provides that the Club will be terminated or wound up on the first to occur of:

- by resolution of Owners or order of the court in accordance with the Corporations Act directing the Responsible Entity to dissolve the Club; or
- if the Owners pass a resolution according to the Corporations Act to remove the Responsible Entity and there is no effective appointment of a replacement responsible entity; or
- 80 years from the date of the Constitution; or
- the date the Responsible Entity determines, if at any time the Responsible Entity in its fiduciary capacity considers it to be in the best interests of the Owners.

Full details of the termination process is set out in the Constitution. The Responsible Entity must follow the requirements of the Law and the Constitution when winding up the Club. It will be required to sell and convert all Club assets into money, pay all liabilities and distribute the remainder to Owners in proportion to the number of Vacation Credits that they are registered as holding as at the date of termination.

9.2 Guidelines and Regulations

The Responsible Entity has the power under the Club Constitution to make Guidelines and Regulations to govern the operation of the Club and conduct of Owners. Where the Club owns property within a resort not operated by the Club, Owners are obliged to follow the rules and regulations of that resort.

The Club Guidelines and Regulations may be amended from time to time in accordance with the Constitution and set out the rules of Owner and guest use of Club Resorts such as:

1. What constitutes a violation of the Guidelines and Regulations and discipline for violation, including failure to vacate a Club Apartment at the proper time;
2. How the reservation system operates for Vacation Credits, Bonus Time, Guest Usage, and cancellation of reservations;
3. Borrowing and carrying forward Vacation Credits;
4. Usage of Club Apartments, including occupancy limits;
5. General conduct during use of the Resort, which relates to the orderly management of each Resort, and includes general behaviour and conduct, cleanliness, motor vehicles, responsibility for children, prohibition on animals, except in pet-friendly accommodation, collection for charities and advertising on the Resort; and
6. Guest usage and liability for Owners' and guests' property while on the Resort.

A copy of the Guidelines and Regulations current as at the date of this PDS is included at page 53 of this PDS. Owners will be notified of any changes to the Guidelines and Regulations and any updated versions of the Guidelines and Regulations is available at clubwyndhamsp.com/disclosure.

9.3 Compliance Plan

The Responsible Entity maintains a compliance management system including a documented Compliance Plan which has been lodged with ASIC. The Compliance Plan sets out the measures that will be applied to ensure compliance with the Corporations Act and the Club Constitution and the Responsible Entity must comply with the Compliance Plan. The Compliance Plan also sets out the procedures and processes for non-compliance.

The Compliance Plan may be amended or replaced from time to time and the revised or replacement Compliance Plan will be lodged with ASIC.

The Compliance Plan is audited annually by an independent auditor who lodges a compliance plan audit report with ASIC.

Compliance Committee

The Compliance Plan also sets out the role of the Compliance Committee, which is made up of three members, two of whom are independent of the Responsible Entity. The Compliance Committee has reporting responsibility to the Board of Directors and ASIC regarding our compliance with the Compliance Plan and applicable law.

9.4 Management Agreement between Wyndham and the Developer

Wyndham, as Responsible Entity, and the Developer entered into an agreement dated 30 April 2000 to appoint the Developer as manager ("Manager") of some of the Club Resorts and to provide assistance to the Responsible Entity to operate the Club (the "Management Agreement").

The Management Agreement is automatically renewed but may be terminated by us on behalf of the Club for a breach of the agreement by the Manager if the breach has not been remedied within 30 days of written notice to the Manager.

The Manager may resign on giving 90 days' notice and a new manager may be appointed.

In consideration of services provided under the Management Agreement, the Manager is entitled to be paid a fee by us from our management fee. Currently, this fee equate to two-thirds of the management fee paid by the Club to the Responsible Entity.

Under the terms of the Management Agreement, the reservation system is owned by the Manager; however the Club owns all the data on the reservation system relative to the Club and has daily access to the information.

The parties to the Management Agreement are related parties and the agreement complies with the related party provisions of the Corporations Act.

10. ADDITIONAL INFORMATION

This section sets out details of all other relevant information that you should be aware of when making the decision to purchase Vacation Credits and which have not yet been disclosed fully in this PDS.

ABOVE: Club Wyndham Rotorua
Club Wyndham Tuscany

10.1 Sale or Transfer of Vacation Credits

You can sell or transfer your Vacation Credits temporarily (i.e. one use only) or permanently by private agreement. However we do not operate a resale or redemption service and are unable to assist you in any sale. Wyndham has absolute discretion to approve or refuse any transfer of your Ownership.

Transfers are subject to the following terms:

- Administration fees are payable. See Section 7 for the current transfer fees.
- The transfer request must be signed by both parties and in a format that we approve. Transfer forms can be obtained by contacting us.
- You are responsible for any other costs and taxes that may be associated with transferring the Vacation Credits.
- A transfer will not be processed by us if there are any outstanding amounts owing to the Club.
- The transfer cannot result in either you or the transferee holding less than the minimum Vacation Credits applicable to be an Owner (see Section 2.3).
- A person who becomes entitled to any Vacation Credits as a result of your death or bankruptcy may elect either to be registered themselves or to nominate another person as the transferee of the Vacation Credits.
- The transferee will be bound by the terms of the Constitution and the Guidelines and Regulations.
- A transferee will not be entitled to any benefits under the Lifestyle Program which is not a Club benefit (as described in Section 8) unless the transfer is to an immediate family member or a result of death or bankruptcy of the Owner. The transferee can apply to become a Lifestyle Member by contacting the Developer and paying a fee as set by the Developer from time to time.
- Additional conditions may be set by us and detailed in the Guidelines and Regulations from time to time.
- When the purpose of the transfer is to combine two or more Ownerships, each Ownership must have the same anniversary month.
- We reserve the right (in our absolute discretion) to refuse to register any transfer of Vacation Credits.

Vacation Credits offer lifestyle opportunities and are not intended to provide financial returns. There is a limited market for the resale of issued Vacation Credits. Generally, Owners should not expect to recover the amount they originally paid for their Vacation Credits nor should they expect that over time the resale price will remain stable or increase relative to the price they originally paid. This however does not take into account the holiday benefits Owners enjoy during their Ownership.

10.2 Hardship Withdrawals

ASIC Corporations (Time-sharing Schemes) Instrument 2017/272 as amended by ASIC on 12 December 2020 contained provisions that provided relief to responsible entities from the requirement to treat owners equally by allowing an amendment to time-sharing schemes' constitutions to facilitate hardship withdrawals. Wyndham has determined that amending the Club Constitution, to include the hardship provisions, was not in the best interest of Club Owners. Accordingly, there are no provisions in the Club Constitution which permit withdrawal from the Club by an Owner due to hardship however you may rent, lend, gift, sell or transfer your Ownership. If you are experiencing hardship, contact the Owner Services Team who can discuss available options with you.

10.3 Forfeiture of Vacation Credits

The cash flow for the operation of the Club is dependent upon Owners paying their Annual Levies when due. These funds are needed for the Club to meet its ongoing obligations, maintenance and upkeep and to fund the reserve fund accounts for refurbishment of Club property.

If a substantial number of Owners (or the Developer) did not pay their Levies, the Club could have inadequate funds to function. The Constitution and the law allow us (at our absolute discretion) to forfeit your Ownership of Vacation Credits in the event of a continuing default regarding:

- a finance agreement used to fund the acquisition of Vacation Credits;
- Annual Levies; or
- any other payment due and owing by the Owner to the Club.

We will take the following steps if we forfeit Vacation Credits, in accordance with ASIC Corporations (Time Sharing Schemes) Instrument 2017/272 as amended:

- A notice will be issued advising the Owner that they have one month to pay all outstanding monies to avoid a forfeiture of Vacation Credits;
- If the default is not remedied within this time, the Vacation Credits may be forfeited and reasonable efforts will be made by us to sell the Vacation Credits at the price shown in any PDS given in the 12 months before the forfeiture sale or if no PDS is issued in that period, at a fair market price.
- The proceeds of sale will be applied in the following order: reasonable sale and administrative costs; repayment of any outstanding amounts to the Club or the Responsible Entity as scheme property; outstanding amounts payable by the Owner to the Responsible Entity other than as scheme property; amounts payable to a financier relating to the liability of the Owner to that financier for financial accommodation in connection with the acquisition of the forfeited Vacation Credits; and any remaining net amount is paid to the Owner.
- If the proceeds of sale are insufficient to pay all outstanding monies, the Owner remains indebted for the balance and the Responsible Entity has the discretion on whether to pursue the Owner for any monies that remain outstanding.

10.4 Lease, Licence or Concession for Developer

If the Developer notifies the Custodian at or prior to the transfer of a Club Apartment to the Club, for which the Developer has provided the funding, that it wishes to take a lease, licence or concession over the Club Apartment, then the Developer may do so and during the term of that lease, licence or concession (and any renewal or extension thereof), no Vacation Credits will be created or issued for that Club Apartment.

Vacation Credits will not be created or issued against the Club Apartment until such lease, licence or concession to the Developer ends or is terminated. It is expected that the Developer will only avail itself of this option when the Club Apartment is to be utilised as a sales office, show unit or administrative office. The Developer will pay any body corporate levies, electricity and other utility charges together with a nominal rent, licence or concession fee as the Developer will have funded the purchase of the relevant Apartments.

However, if we have allocated or issued Vacation Credits against the relevant Apartment, then the rent, licence or concession fee will be paid on arm's length terms in accordance with the requirements of related party transactions under the Corporations Act.

10.5 Related Party Agreements

We have entered into agreements with the Developer in our capacity as Responsible Entity for the Club. The Developer is a related party as defined under the Corporations Act and these agreements are on arm's length terms and Owner approval is not required. It should be noted that there is a risk that agreements with related parties may not be as closely monitored as agreements with unrelated parties. However, we must ensure that we comply with all relevant law, the Club Constitution, the Compliance Plan and the AFSL in all dealings as Responsible Entity for the Club.

10.6 Consents

Crowe Audit Australia and Crowe Brisbane have given and have not, before the date of this PDS, withdrawn their written consent to being named in this PDS as auditors of the Club and the Club's Compliance Plan in the form and context in which it is named.

The Trust Company (PTAL) Ltd AFSL 235128, CWA Property (HK) Limited and PT WVRAP Properti Indonesia have given and have not, before the date of this PDS, withdrawn their written consent to being named in this PDS as custodians of the Club in the form and context in which it is named.

None of the parties named above take any responsibility for the contents of the PDS other than as they are named.

10.7 Continuous Disclosure

The Club is a disclosing entity for Corporations Act purposes and as such is subject to regular reporting and disclosure obligations. Copies of documents lodged with ASIC in relation to the Club may be obtained from, or inspected at, an ASIC office.

Owners have a right to obtain a copy of the following documents:

- the annual financial report for the Club most recently lodged with ASIC;
- any half-yearly report lodged with ASIC after the annual financial report and before this PDS; and

- any continuous disclosure notices given by the Club regarding any new material information that is likely to be of interest to Owners or information which may influence a consumer's decision to acquire Vacation Credits in the Club.

These documents will be posted on the Club website.

In addition, we must advise Owners of material changes to matters specified in this PDS or significant events that affect those matters. We will do this by providing an updated PDS or by way of Supplementary PDS.

10.8 Ethical Considerations

When selecting Club Resorts we undertake a detailed due diligence which can include consideration of labour standards, or social or ethical considerations relating to the jurisdiction in which the proposed Club Resort is located. We will always comply with all legal and regulatory requirements of that jurisdiction.

Environmental issues are also taken into account in the maintenance and operation of Club Resorts and we try to conserve resources, recycle/reuse, preserve natural habitats and prevent pollution. We have adopted best practices and are building a culture that continuously strives to improve and sustain our positive environmental results over time.

10.9 Privacy Notice

We care about privacy issues and want you to be familiar with how we collect, disclose, and otherwise use information about you. We have set out below a summary of our privacy notice ("Privacy Notice") which you acknowledge when you agree to when you become a Club Owner. The full Privacy Notice can be viewed on our website clubwyndhamsp.com/privacy-policy or by contacting us for a copy.

Further details of these additional fees can be obtained from the Owner Services team at (or prior to) the making of a reservation.

- (c) Vacation Credit reservations may be made up to 13 months prior to the requested arrival date, and may extend beyond 13 months if the stay is continuous and uninterrupted within a single reservation. The reinstatement of Vacation Credits may be made at the sole discretion of the Club and may only be made once the Club has received documentary evidence which substantiates, in the opinion of the Club, the request for reinstatement. The reinstated Vacation Credits usage rights shall not exceed 3 months from date of reinstatement.
- (e) Despite regulation 4.8(a), 4.8(b) and 4.8(c) the Owner shall not be charged a cancellation fee and shall not forfeit the applicable number of Vacation Credits if the Owner:
- (i) alters a reservation by increasing the number of reserved nights at the reserved Apartment; or
 - (ii) alters a reservation by upgrading the type of reserved Apartment, on condition that the number of nights reserved for the reservation does not decrease; or

- (iii) cancels a reservation and reinstates that cancelled reservation, subject to availability; provided that the cancelled reservation is not reserved by another Owner, Guest or person. It is a further condition that the cancelled reservation does not cause expired Vacation Credits; in which event those expired Vacation Credits so caused shall be forfeited and not applicable to be used to reinstate the cancelled reservation.
- (f) Despite regulation 4.8(a), 4.8(b) and 4.8(c) the Owner shall be entitled to reduce the number of nights reserved however the Owner will be charged a cancellation fee and forfeit Vacation Credits. The Vacation Credits forfeited by the Owner will equal the difference in the number of Vacation Credits used to reserve the Apartment prior to the reduction and the number of Vacation Credits used to reserve the Apartment immediately after the reduction.
- (g) Despite regulation 4.8(a), 4.8(b) and 4.8(c) the Owner shall be entitled to downgrade the type of reserved Apartment however the Owner will be charged a cancellation fee and forfeit Vacation Credits. The Vacation Credits forfeited by the Owner will equal the difference in the number of Vacation Credits prior to the downgrade and the number of Vacation Credits immediately after the downgrade.
- (h) An Owner cancelling any part of a 7 night minimum stay during Red Season, split between two or more resorts must immediately replace that cancelled part of the split with an equal or greater number of nights and an equal or greater number of Vacation Credits. If the Owner does not replace the cancelled part in accordance with this regulation then the entire 7 night minimum stay must be cancelled with a 48 hour waiting period between the cancellation and a new reservation.
- (i) There shall be a 48 hour waiting period between a cancellation and a new reservation if:
 - (i) an Owner cancels a one week reservation in the Red Season and requests that same reservation for less than one week within 9 months or less of occupancy; or
 - (ii) an Owner cancels a Vacation Credit reservation and requests that same reservation as a Bonus Time reservation; or

 - (iv) an Owner cancels a One-Time reservation and then requests the same reservation be made using Vacation Credits, Bonus Time or Fun Time; or

4.9 Length of Stay

- (a) There is a 7 night minimum stay during Red Season for any reservation booked more than nine (9) months in advance, unless that stay falls within regulations 4.9(b) and 4.9(c). This 7 night minimum stay is for consecutive nights and may be split between 2 or more Resorts. Housekeeping fees will be applicable.
- (b) There is no minimum stay for any reservation booked during Red Season 3, 4, 5, 6, 7, 8 and 9, unless the reservation includes either a Friday or Saturday, where there must be a two (2) night minimum stay.
- (c) At Club Wyndham Sydney there is a 3 night minimum stay during Red Season for any reservation booked more than 9 months in advance, except for those dates described as "High Demand Dates", where there is a 7 night minimum stay. All 3 night stays must be for consecutive nights. 7 night stays must also be for consecutive nights but may be split between Club Wyndham Sydney and another Resort. Housekeeping fees will be applicable.
- (d) There is a 2 night minimum stay when either a Friday or a Saturday are included in the reservation, subject to 2 nights being available.

Details of the arrival day will be listed in the Resort Directory and on the Club website. Any additional nights need to be made under separate bookings and a housekeeping token or housekeeping fee is payable for each booking.
- (g) For any reservation made 9 months or less from date of travel there is no minimum stay requirement unless the reservation includes either a Friday or Saturday, where there must be a 2 night minimum stay.

5. RENTING BY THE CLUB

- (a) The Club may rent Apartments in non-Exotic Resorts to the general public within 47 hours of a reservation if an Owner has not made a reservation for such Apartment by that time. For Exotic Resort inventory the Club may rent within 30 days of the reservation date. All proceeds from such rentals shall accrue to the Club.
- (b) On an exception basis and subject to the following directives, the Senior Vice President Resort Operations may approve opportunity rental programs where:
 - (i) significant benefits accrue to the Club and Owners;
 - (ii) A. a high degree of certainty permits reliable forecasting of the number of apartments available

for renting without impacting an Owner's ability to reserve an Apartment; or

- B. an Apartment is placed into the Club for a period less than 12 months and due to there being no reliable occupancy history it is very difficult to reliably forecast the impact of renting that Apartment, and there remains within the Resort a margin of between 10% and 20% of Apartments available for Owners at any one time.
- (iii) commitments will not extend through more than one high season and will not exceed 12 months prior to arrival; and
- (iv) Owner demand takes precedence over rental demand.

These rules have been put in place to protect the interests of the Owners, so that the Club may receive income for apartments that would otherwise stand empty because of changes at short notice.

6. BORROWING VACATION CREDITS (PREMIER OWNERS ONLY)

A Premier Owner may, in a current Anniversary Year, use Vacation Credits from the following Anniversary Year provided that all assessments for the Vacation Credits for the following Anniversary Year are paid.

7. UNUSED VACATION CREDITS (PREMIER OWNERS ONLY)

- (a) Vacation Credits which are unused by a Premier Owner at the end of an Anniversary Year shall automatically carry over for use immediately in the following Anniversary Year. A Premier Owner's unused Vacation Credits will expire at the end of the second Anniversary Year if the Premier Owner has not made and received an accepted Vacation Credit reservation by then. The travel date can be made for up to 13 months in advance for Club Wyndham South Pacific resorts as long as the reservation is made prior to the credits expiring. Credit reservations using expiring credits will not be restored if cancelled after the expiry date.
- (b) For usage, the Club shall deduct from a Premier Owner's Vacation Credit account, first against any carry over Vacation Credits and then against the current Anniversary Year's Vacation Credits. By doing this, the Club assists the Premier Owner in minimising the potential of having Vacation Credits expire.

8. HOUSEKEEPING SERVICES

- (a) Housekeeping service occurs at the end of each stay, or if your stay is in a Club apartment situated within a Club resort managed by the Responsible Entity or the Developer, mid-stay if a continuous stay in one Apartment exceeds 7 nights. A seven night minimum stay that has been split between Resorts will result in additional housekeeping fees at subsequent Resorts. However, at Club Resorts in Hawaii, only 1 housekeeping

service occurs per 7 nights and a housekeeping fee or housekeeping token is payable for each 7 night block or booking.

- (b) Owners shall be allowed 1 free housekeeping service each Anniversary Year for the initial block of up to 10,000 Vacation Credits and thereafter for each full block of 10,000 Vacation Credits owned, e.g., 6,000–19,000 Vacation Credits = 1 free housekeeping service per Anniversary Year. Further Vacation Credit use in the same Anniversary Year shall be subject to a housekeeping fee per stay as may be determined by the Club. If the Owner does not use any of their Vacation Credits in a particular year, then the free housekeeping is carried forward to the next year and expires after that year.

These fees, inclusive of GST, are currently:

	Standard	Deluxe	Grand	Presidential
Studio or Hotel Room	AU\$94	AU\$102	AU\$114	AU\$127
1 Bedroom	AU\$107	AU\$114	AU\$127	AU\$137
2 Bedroom	AU\$119	AU\$127	AU\$137	AU\$147
3 Bedroom	AU\$131	AU\$137	AU\$147	AU\$193
4 Bedroom	N/A	AU\$147	AU\$193	AU\$214

Please note that in addition to the housekeeping fee noted in these Regulations, any housekeeping fees incurred in Fiji will attract Environment Climate Adaption Levy (ECAL) and other taxes which may be levied by the Fijian Government, the State of Hawaii, United States of America or local European municipalities from time to time and which are subject to change.

- (c) In addition to the one free housekeeping service, a free mid-stay service will be provided if an Owner stays more than 7 nights in the same Apartment at the same Resort.
- (d) Housekeeping service for Bonus Time usage is already paid for by the Bonus Time Fee and is not subject to housekeeping fees.

The Resort Manager shall use reasonable efforts to remove the non-vacating Owner or Guest from the Apartment and assist the detained Owner or Guest in finding comparable alternate accommodation during such late departure. If the Resort Manager determines, in its absolute discretion, to contract for a period greater than the Vacation Credit Use which the detained Owner or Guest was prevented from using in order to obtain adequate alternate accommodation, the entire cost of the alternate accommodation shall be for the account of the non-vacating Owner or Guest.

- (c) If an Owner or Guest renders an Apartment uninhabitable by an intentional or negligent act, such Owner or Guest shall be deemed a non-vacating Owner or Guest for such period as the Apartment remains uninhabitable and shall be subject to the consequences described in this regulation 9.2.
