Barry Robinson

I have had the pleasure of running and developing our club over the past 21 years – and meeting many owners and being enthralled by the breadth of their travels.

Club ownership offers flexibility in how and where you travel, and ignites a natural desire to go further – to explore new horizons or return to familiar places in different seasons. Ownership calls us to experience more and makes it easier to go beyond the norm, which is our theme for this edition of Club Wyndham magazine.

Visit page 6 to discover the different adventures you can enjoy during a Dinner Plain summer, the beauty of a Wanaka spring or the family-friendly fun of a Port Macquarie autumn.

Another simple way to deepen your travel experiences is to immerse yourself in the local food and beverage scene. Our new gourmet trails and foodie guides familiarise you with the culinary delights of your destinations across the South Pacific. Whether you want to eat out or gather ingredients to cook your own feast, discover how to add more flavour to your holiday on page 14.

Your club expanded again this year, and we cover two new locations in this edition. Nagano promises intrepid travellers a new adventure: an authentic ryokan experience, with additional Western touches you can read about on page 23. Alternatively, Manly Beach is a new place for a classic Australian beachside holiday and page 24 provides you all you need to start planning.

Elsewhere across the portfolio, our Property Development team completed millions of dollars' worth of refurbishments to freshen up club properties. You can see the results for yourself from page 22.

We recently launched a user-friendly app for Club Wyndham South Pacific owners, making it easier than ever to make bookings, access the latest club information and claim deals while you are on the go. You can download it today through Google Play or the App Store. And remember, if you need expert help or personal guidance as you book your holidays for next year and beyond, your Owner Education team is always available. Find out more about the team on page 40.

We wish you and your family a safe and happy Christmas and New Year. If you are travelling to a club resort during the festive period, we look forward to welcoming you and providing a memorable stay.

COOK YOUR OWN FEAST

Be inspired by one of Australia's most renowned chefs

Growing up, the kitchen was always Peter Kuruvita's favourite place. The heady mix of fragrant spices, the warmth of smoke and steam, and the happy music of chatter and laughter were the ingredients that inspired his creativity and ignited his passion.

To Peter, cooking brings back that simple joy he experienced in his ancestral home in Colombo, Sri Lanka, with his grandmother and aunts – and has become the way he shares that joy with others. These memories have helped shape his stellar career as one of Australia's leading chefs.

Peter Kuruvita launched into the spotlight by starting the Flying Fish Restaurant & Bar in Sydney, which he led as Executive Chef for eight years, and he opened Flying Fish Fiji in Fiji during 2008. In 2013, he opened Noosa Beach House, then followed that with Alba Noosa in 2021.

His glittering career gathered further star power with three books – Serendip: My Sri Lankan Kitchen, My Feast with Peter Kuruvita, and Lands of the Curry Leaf. He's also repeatedly appeared on the small screen through Island Feast with Peter Kuruvita, Mexican Fiesta with Peter Kuruvita, Peter Kuruvita's Coastal Kitchen, and My Sri Lanka with Peter Kuruvita.

Credit: peterkuruvita.com

Peter recently held four live cooking demonstrations for guests at Club Wyndham Phillip Island and Club Wyndham Dunsborough. More than 100 guests had the privilege of cooking along with the master chef, creating popcorn prawn skewers and kottu roti, a popular street food in Sri Lanka.

Peter's partnership with us served to highlight the mouth-watering tastes of South Pacific and Sri Lankan cooking, enrich the experience of club owners and guests, and demonstrate the ability families have to create their own feasts and memories using their apartment-style club accommodation, particularly at these two club favourites.

Peter's appearance ignited inspiration for many Club Wyndham South Pacific owners, who took to either their home kitchens or their holiday kitchens (in self-contained club apartments) to add flavour to their social feeds with their gourmet creations and make memories of their own with their families.

The competition prize was a three-night getaway and a signed copy of one of Peter's books.

The partnership with Peter was also a catalyst for our online series of maps and travel guides. As the great chef himself

has said repeatedly, food is an important part of the DNA of a country, culture or community and you can't really get to know the region well

without trying local dishes! The resources our team have carefully crafted highlight the must-try culinary experiences in these destinations. Your next holiday is sure to taste great!

Culinary travel is an emerging US\$11.5 billion industry and these maps and blogs available on My Wyndham Holidays (mywyndhamholidays.com) will help you satisfy your hunger. They also provide an excellent guide to the culinary tastes of the region that you can adopt in your own cooking – and take a taste of your holiday destination with you!

Whether you are making memories with family in the kitchen or at a restaurant – whether you are a gastronome or a culinarian – here's to your holidays tasting great!

Club Wyndham South Pacific Culinary Challenge winning entry

Congratulations Tony Prescott!

A: I reached my 13 year milestone at Club Wyndham Port Douglas in September. I originally joined as an Event Manager and was promoted to Assistant Resort Manager in 2015.

Q: Can you share a proud moment of exceptional customer service that stands out to you?

A: Recently, a colleague of mine came to the rescue of an owner whose bus transfer didn't turn up at 4am to take her to the airport. He didn't hesitate and immediately offered to take her himself. Outstanding customer service, in my opinion.

Q: Are there any special memories with owners that you cherish? How did your team contribute to making those moments extraordinary?

A: As an Event Manager, I organised a stunning wedding on our Jacana Deck for two wonderful owners. The ceremony was so special that the brides returned to Port Douglas for many years.

Q: What are your top five must-do experiences in and around Port Douglas?

- A. 1. A snorkel or dive trip to the Outer Barrier Reef.**
- 2. A day out at Cape Tribulation (where the rainforest really does meet the reef).**
- 3. Kuranda Skyrail and train trip.**
- 4. Mossman Gorge.**
- 5. A river cruise to see crocodiles up close in the wild...but there is so much more!**

Q: Do you have any local secrets or hidden gems that you can share?

A: Hartley's Creek Waterfall walk (although it's not so much of a secret these days). A fabulous walk with a great refreshing swim under a waterfall at the end.

Q: How long have you called Wanaka home, and what brought you to this beautiful place?

A: I've lived in Wanaka since I was 12, moving here from a Southland farm. With over 25 years here and a history in a Cardrona Valley gold mining business, I'm proud to call myself a true local.

Q: How many years have you been a part of the Club Wyndham Wanaka team?

A: 14 years! I can't imagine being anywhere else.

Q: What are your top must-do experiences in Wanaka?

- A. 1. Outlet Track. It is so beautiful along the Clutha River. I regularly go there with my family and tell every guest I can to visit there as well!**
- 2. Hook is a beautiful place to catch a salmon, enjoy a drink and have some lunch.**
- 3. Walk along the lake front. We are only 800 metres from the Wanaka Tree!**
- 4. Mt Iron is a must-do walk. It offers views of the whole area.**

Q: What do you think makes Club Wyndham Wanaka a standout destination?

A: We're a year-round destination with something special in every season. Our recently refurbished resort is getting great feedback. It's the perfect base to explore Queenstown and Arrowtown. Plus, our passionate team is dedicated to ensuring our owners and guests have an amazing time in Wanaka.

Q: Can you share any memorable experiences with owners that stand out to you?

A: One memorable moment was welcoming our first owners back to the resort in June 2020. Long-time Club members from New Zealand, they usually travelled overseas but chose Wanaka when international travel was restricted. They now consider us one of their all-time favourite resorts and stay with us at least once a year. They absolutely love it.

TURNING Travels INTO ART

BY CHERYL "CHEZZA" DEVENISH
Club owner since 2000

➔ Buying from TrendWest in 2000, Club Wyndham (once WorldMark South Pacific Club) has been the gateway to my most amazing holidays and opportunities. We went from camping with three little children to arriving at top self-contained accommodation where the children could plunge into the pools within 30 minutes. Twenty-four years later, our experiences have been still fantastic, and our extended families get to share great holidays together.

I started painting many years ago when folk art was popular in the late 1980s and moved into acrylic painting. Then, I decided to study and work as an accountant/auditor. Painting was forgotten until one day, about ten years ago, I visited an open garden in Brisbane where the owner's wife had a little stall of watercolour cards. I became mesmerised by the beautiful colours intermixing and soon became immersed in art again.

So, from little A5 paintings, big things grew onto large watercolour sheets. I became obsessed with animals and anything in bold colours. Moving to the Daintree about four years ago opened up opportunities to teach and try different themes in my paintings.

Urban sketching has given me a new challenge, as buildings are everywhere, and these are harder. Living in the tropics is really inspirational, with so many plants and animals intermingled with the country houses and resorts. **Club Wyndham Port Douglas** is a great place to paint and very popular with my local urban sketchers group.

Club Wyndham has given us the wonderful opportunity to travel overseas, and it has become more exciting as I take my paintings with me and meet many like-minded people.

I paint whenever I can, and as I have a habit of leaving my paintings somewhere to dry, I have also driven off and left them in the motel rooms many times!

Last year saw me sitting and painting many places that we visited, and **Club Wyndham Bavaria** in Germany was one lovely building to paint. My husband decided to go and tell the staff, and before I knew it, a copy of my painting was requested so it could be hung in their foyer.

The world of watercolours has changed over time, and using canvas instead of paper has become more challenging but rewarding. The joy of mixing watercolours to create beautiful art pieces excites me, especially when travelling. Fish has become my passion, and I currently have an exhibition at a resort in Port Douglas.

Club Wyndham Sundance Resort Karuizawa

→ I joined Club Wyndham in 2017 while on holiday at Golden Beach, Queensland. Living on the Gold Coast, my family and I have always cherished our travels together. This year, we embarked on a trip to Japan in late March 2024 with my adult son, adult daughter, and 10-year-old grandson. My son stayed for only nine days, and then we continued for another 12 days.

We stayed at **Club Wyndham Sundance Resort Hakone-Gora**. The Japanese room was an exceptionally large suite, especially by Japanese standards. It was a wonderful experience to sleep on a tatami floor and bathe in an onsen. The resort staff were unobtrusive yet ever helpful and friendly. We

took full advantage of the nearby attractions, riding the Hakone Tozan Railway, the Ropeway, and the gondola for stunning views of Mt Fuji. We also enjoyed the famous black eggs from the sulfur slopes and the pirate ship ride on Yamanaka Lake. The Hakone Open Air Museum, with its world-renowned sculptures, was a feast for the eyes and soul.

Next, we stayed at **Club Wyndham Sundance Resort Karuizawa** in a cosy apartment with single beds, a living area, a basic kitchen, and a good bathroom. The resort manager also tried his best to communicate with us through a language translation app. He is such a fantastic man! We explored Ginza Street, which has many interesting arts and crafts and delectable foods. We visited more temples and shrines and saw a 400-year-old cherry tree in full bloom. We also went to a nearby town with Edo-period remains and a fantastic museum.

In Osaka, we visited Abeno Harukas, the tallest skyscraper in Japan from its completion in 2014 until 2023, and Tennoji, Namba, and Sumiyoshi Taisha Temple. Himeji Castle and Mt. Shosha were magnificent, and Nara's ancient temples and famous deer park were also enjoyable. Uji's famous green tea plantations and temples also offered us a serene retreat.

We also had a great time in Kyoto with its ancient temples, the charming Gion district, and Tokugawa's palace (Nijo-jo Castle) - it was my favourite, because of its history.

The train museum in Kyoto captivated the entire family, and we spent a whole day there.

TOP PICKS!

My top picks from our Japanese adventure were the Fuji trip from Hakone Gora, a circular route that takes all day; the Hakone Open Air Museum, where I got to drool over several Moore sculptures; and the massive amount of cherry blossoms everywhere!

Club Wyndham Maroocha Beach, Deluxe room type, artist's impression

Fresh look for MARCOOLA BEACH

A breath of fresh summer air has swept into Club Wyndham Maroocha Beach, with all 24 club apartments undergoing a Hamptons-themed transformation.

The classic coastal look features a welcoming colour palette of blue and white with pops of orange and use of natural materials – a look designed to capture the feeling of a laidback beachfront summer, where guests can throw open their windows and enjoy the salt breezes.

The resort was originally just one tower, named Surfair, which dates back to the 1960s. At that period, chartered flights of VIPs landed at the airport next door and the country's elite stayed for the weekend. During the 1980s, the hotel also played host to a who's who of the nation's best musicians, including Cold Chisel, Skyhooks, Midnight Oil, Hunters and Collectors and Hoodoo Gurus.

The refurbishment is designed to capture the best of contemporary design while paying homage to the prominence of the property during that period.

Upgrade completed AT COFFS HARBOUR

An extensive refurbishment – valued at around \$3 million – has enhanced your club resort in the Pacific Bay Resort Precinct, Coffs Harbour.

All 60 of the resort's one, two and three-bedroom apartments were updated with a design inspired by the region's laidback lifestyle and the nearest beach, Charlesworth Bay Beach. The new colour palette features popsicle pinks and oranges, along with pastel shades of green and blue.

Club Wyndham Coffs Harbour, 1-bedroom Deluxe

Apartments were updated with new carpets, shower screens, furnishings and artworks. The resort's Presidential apartments feature fully equipped kitchens, espresso machines, expansive balconies and designer furnishings along with bespoke elements like woven textures and white timber shutters.

Big changes AT PERTH

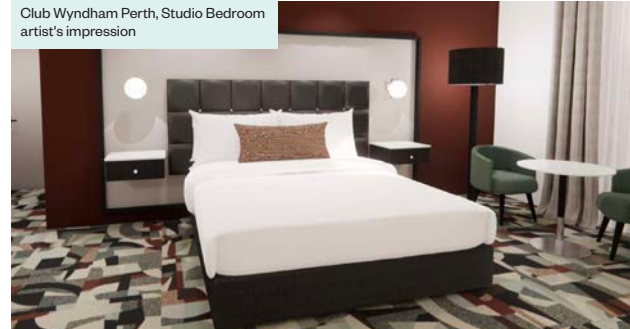

In recent months, visitors to Club Wyndham Perth will have noticed the difference the moment they walk in the door!

A refurbishment of close to \$1 million was rolled out across the site – starting with the lobby, which has been refreshed with a simpler and more open set-up than previously, inviting furniture, stylish hanging lighting and wooden features, and colour from the teal feature walls.

Café 32 is also a new addition to the hotel. At present, it offers buffet and a la carte breakfast offerings, including eggs benedict, smoked salmon omelette, pancakes, field mushrooms and a full breakfast. Depending on demand, this menu may be expanded to offer more for breakfast or feature options across the day.

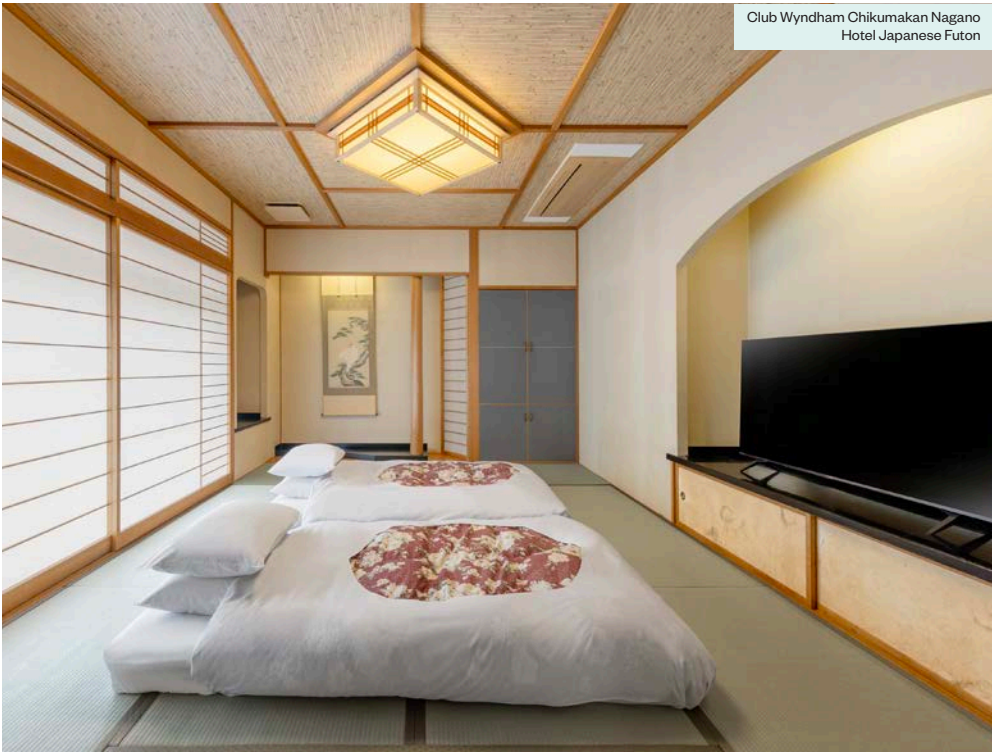

Upstairs, the hotel's apartments and corridors have been updated with a new colour pallet, blending accents of grey, white, mint and burgundy; high quality vinyl in the living areas and fresh carpet in the bedrooms; and new soft furnishings. Bathrooms also underwent some minor works.

Club Wyndham South Pacific's inventory in Sundance Resort Club is structured in a different way to the inventory to the left. The club owns 137,875 points within Sundance Resort Club, which enables owners to access all Sundance Resort Club's 16 resorts and apartments. The rest of the Sundance Resort Club points are owned by that club's members and other vacation clubs managed by Travel + Leisure Co.

This arrangement means Club Wyndham South Pacific owners can access a broader range of inventory – all 19 Sundance Resort Club rooms – for a lesser financial commitment to the club than if the inventory was purchased directly. The club does not own the rooms. Bookings at some resorts need to be made through Owner Services.

These rooms are tabulated separately to display the unique arrangement and to consider the Japanese apartments are not traditional one, two or three-bedroom formats, but are large rooms with multiple beds. Some apartments offer raised Western-style bedding, while others offer futon-style bedding that is customary in Japan.

WAITLIST

WE HAVE A WAITLIST?

The Waitlist is a feature of Club Wyndham South Pacific ownership that enables you to request your first choice of resort, room type and preferred date, if it has already been booked.

Plans change. Owners sometimes cancel their accommodation. And, if they do, the availability created is cross-referenced with Waitlists before re-appearing in the four-month calendar.

It's an orderly system that can help secure your preferred accommodation rather than searching the website every day!

THE WAITLIST PUTS YOU FIRST IN THE FRAME...

- The system searches 24 hours a day, 7 days a week for any requests that match a cancellation, up until 14 days before the requested check-out date (30 days for Exotic resorts).
- If your Waitlist matches, you will be emailed and you have 48 hours to confirm you'd like to make the booking. If you don't want it, the availability will move to the next person on the Waitlist!

GIVE IT A GO!

In the first half of 2024, more than 41,000 Waitlists were placed by owners, and more than 30% of those Waitlists were matched.

In total, 17% of Waitlists led to a booking!

Waitlisting is effective and it gives owners more chance of booking their preferences.

AVAILABLE ONLINE

You can now create a Waitlist and manage your Waitlists online! Just log in as an owner on clubwyndham.com.

To make a booking, scroll down beneath the four-month calendar and "**Join the Waitlist**".

Can't find the dates you're looking for ?

 Submit a request to join the waitlist if your desired resort and dates are unavailable. You'll be notified if your dates open up.
