PETER KURUVITA'S POPCORN PRAWN SKEWERS

We partnered with renowned chef Peter Kuruvita, to inspire you to search the region for local produce, and create your own delicious meal within your self-contained apartment.

Serves: 10 canapés
Prep: 10mins | Cooking: 5 mins
Skill: Easy

INGREDIENTS

- 10 U8 (King) prawns, peeled
- 10 bamboo skewers
- 2 tablespoons Japanese mayonnaise
- 1 garlic clove, crushed
- ½ teaspoon chilli flakes
- ¼ cup flat-leaf parsley, finely chopped
- 1 cup cooked and ground popcorn
- 1 tablespoon sumac
- Sea salt to season
- Rock salt to serve

METHOD

1. To make the dipping sauce, place the mayonnaise, garlic, dried chilli and parsley in a bowl and stir to combine.
2. Place the ground popcorn, sumac and sea salt (to taste) in a bowl and mix well.
3. Place each prawn on its back and lightly score the belly two or three times so they lay flat.
4. Thread each prawn onto a skewer, starting at the head end and through the tail.
5. Preheat a barbecue hotplate to high.
6. Lightly brush with oil and cook the prawns until just translucent.
7. Coat each prawn in the dipping sauce, and then roll in the popcorn mix.
8. Serve in a glass full of rock salt.
