The Treadright Foundation is a not-for-profit organization created as a joint initiative between Trafalgar and the Travel Corporation (TTC).

When you partner with Trafalgar you can be assured that your brand will be supporting responsible travel experiences that are underpinned by the United Nations Sustainable Development Goals.

PEOPLE

All trips are consciously crafted to make a positive impact on the people and communities your clients visit, by enabling communities to see the true benefit of tourism through economic empowerment.

PLANET

We're committed to safeguarding the future of our planet and reducing the environmental impact of our business.

We have committed to eliminate all avoidable single-use plastics in both our offices and out on the road by 2022. Our fleet of coaches exceed emission standards, and we support projects to keep our oceans and coastlines clean.

WILDLIFE

By partnering with us you are supporting the protection of wildlife and marine life.

Through the TreadRight Foundation, we partner with leading wildlife organisations working to protect and rehabilitate elephant, rhino and big cat populations around the world. We also ensure all included travel experiences meet ethical wildlife practices and standards.
